The Petitioner was represented by Reginald D. Dixon, Esq. The Respondent was present before the Division of Administrative Hearings (hereinafter "DOAH"), and was represented by legal counsel, Suzanne Hope Suarez, Esq.

After a review of the complete record in this matter, including consideration of the Administrative Law Judge's Recommended Order, a copy of which is attached hereto as Exhibit A, any exceptions filed by the parties, and the arguments of each party, the Board makes the following findings and conclusions:

FINDINGS OF FACT

2. There is competent, substantial evidence to support the Administrative Law Judge's findings of fact as adopted by the Board.

CONCLUSIONS OF LAW

1. The Board has jurisdiction over this matter pursuant to the provisions of Sections 120.569 and 120.57(1) and Chapter 484, Florida Statutes.
2. The Administrative Law Judge's conclusions of law are hereby approved, adopted and incorporated herein.
3. There is competent substantial evidence to support the Board's findings and conclusions.

PENALTY

IT IS THEREFORE ORDERED AND ADJUDGED:

1. The licensee, SHEREE ENGLISH, is hereby reprimanded.
2. The licensee must pay an administrative fine of \$500.00 and investigative costs of \$2,315.00 prior to termination of probation. The licensee has the responsibility to document financial hardships prior to the due date of the fine payment.
3. The license of SHEREE ENGLISH is suspended; however, that suspension will be stayed so long as she complies with the conditions of probation. Her license is placed on probation for one (1) year with the following conditions:

The licensee shall not violate chapters 455 or 464, Florida Statutes, the rules promulgated pursuant thereto, any other state or federal law, rule, or regulation relating to the practice or the ability to practice nursing. Violation of her court-ordered probation/or the order from the Board of Nursing will constitute grounds for violation of this Order.

The licensee must report any change in address or telephone number, employment, employer's address or telephone number, or any arrests or violations of probation or whatever impediment which may be on the license from another jurisdiction, in writing by certified mail within 5 working days to the Probation Supervisor at the Board of Nursing Office, 904/858-6940, 4080 Woodcock Drive, Suite 202, Jacksonville, Florida 32207 .

Whether employed as a nurse or not, the licensee shall submit written reports to the Probation Supervisor at the Board of Nursing office, which contain the licensee's name, license number, and current address; the name, address, and phone number of each current employer; and a statement by the licensee describing her employment. This report shall be submitted to the Probation Supervisor every three (3) months in a manner as directed by the Probation Supervisor.

If the licensee fails to submit ONE quarterly report, the Board shall lift the stay of suspension and suspend the license provided the Probation Supervisor has notified the licensee after the report was late. The Board delegates the authority to lift the stay of suspension to the Executive Director and the Chair of the Board. Reinstatement shall require the licensee to appear before the Board to demonstrate her ability to comply with all conditions of this Order and to engage in the safe practice of nursing.

All current and future settings in which the licensee practices nursing shall be promptly informed of the licensee's probationary status. Within five days of the receipt of this Order, the licensee shall furnish a copy to her nursing supervisor or supervisors, if there are multiple employers. The supervisors must acknowledge this probation to the Board Probation Supervisor in writing on employer letterhead within ten days. Should the licensee change employers, she must supply a copy of this Order to her new nursing supervisor within five days. The new employer shall acknowledge probation in writing on employer letterhead to the Board Probation Supervisor within ten days. The licensee shall be responsible for assuring reports from nursing supervisors will be furnished to the Board Probation Supervisor every three (3) months. That report shall describe the licensee's work assignment, work load, level of performance, and any problems. Any report indicating an unprofessional level of performance shall be a violation of probation.

Should the licensee desire to return to school to attend a nursing program, the licensee shall provide a copy of this Order to the Program Director prior to beginning class. The Program

Director must inform the Board in writing on school letterhead, acknowledging receipt of a copy of the Order. If the school is willing to comply with the licensee's conditions of probation during clinical experiences, that should be specified. Otherwise the probation shall be tolled. Any requests for modification or accommodation by the school or the licensee shall be considered on an individual basis by the Board.

If the licensee leaves Florida for thirty (30) days or more or ceases to practice nursing in the state, this probation shall be tolled until the licensee returns to active practice of nursing in Florida. Then the probationary period will resume. Unless this Order states otherwise, any fines imposed or continuing education required must be paid or completed within the time specified and are not tolled by this provision. Employer reports are not required during the time probation is tolled. Working in nursing without notification to the Board is a violation of this Order.

The terms of this Order are effective as of the date this Order is filed with the clerk for the Department of Health. The Board office will send the licensee information regarding probationary terms; however, failure of the licensee to receive such information DOES NOT EXCUSE COMPLIANCE with the terms of this Order.

The penalty recommended by the Administrative Law Judge is approved.

This Final Order shall become effective upon filing with the clerk of the Department of Health.

DONE AND ORDERED this 20th day of November, 2001.
