SETTLEMENT AGREEMENT

Respondent, **STATE OF FLORIDA, AGENCY FOR HEALTH CARE ADMINISTRATION** (“AHCA” or “the Agency”), and Petitioner, **THE HEALTH CENTER OF COCONUT CREEK, INC. d/b/a THE HEALTH CENTER OF COCONUT CREEK,** (“PROVIDER”), by and through the undersigned, hereby stipulate and agree as follows:

1. This Agreement is entered into between the parties to resolve disputed issues arising from examination engagements NH04-196J.
2. At the time of the Audit the PROVIDER was a Medicaid provider in the State of Florida operating a nursing home facility that was examined by the Agency.
3. AHCA conducted an examination of the PROVIDER’s cost report as follows: for examination engagement number NH04-196J, AHCA examined the PROVIDER’s cost report covering the examination period ending on December 31, 2001.

4. In its subsequent Examination Report, AHCA notified the PROVIDER that Medicaid reimbursement principles required adjustment of the costs stated in the cost report. The Agency further notified the PROVIDER of the adjustments AHCA was making to the cost report. The Examination Report is attached hereto and incorporated herein as **Exhibit A**.

5. In response to AHCA's Examination Report, the PROVIDER filed a timely petition for administrative hearing, and identified specific adjustments that it appealed. The PROVIDER requested that the Agency hold the petition in abeyance in order to afford the parties an opportunity to resolve the disputed adjustments.

6. Subsequent to the petition for administrative hearing, AHCA and the PROVIDER exchanged documents and discussed the disputed adjustments. As a result of the aforementioned exchanges, the parties agree to accept all of the Agency's adjustments that were subject to these proceedings as set forth in the Examination Report, except for the following adjustments which the parties agree shall be changed or removed as set forth in the attached **Exhibit B**, which is hereby incorporated into this Settlement Agreement by reference.

7. In order to resolve this matter without further administrative proceedings, and to avoid incurring further costs, PROVIDER and AHCA expressly agree the adjustment resolutions, which are listed and incorporated by reference as **Exhibit B** above, completely resolve and settle this case and this agreement constitutes the PROVIDER'S withdrawal of their petition for administrative hearing, with prejudice.

8. After issuance of the Final Order, PROVIDER and AHCA further agree that the Agency shall recalculate the per diem rates for the above-stated examination period and issue a notice of the recalculation. Where the PROVIDER was overpaid, the PROVIDER will reimburse the Agency the full amount of the overpayment within thirty (30) days of such notice.

Where the PROVIDER was underpaid, AHCA will pay the PROVIDER the full amount of the underpayment within forty-five (45) days of such notice.

Payment shall be made to:
AGENCY FOR HEALTH CARE ADMINISTRATION
Medicaid Accounts Receivable – MS #14
2727 Mahan Drive, Building 2, Suite 200
Tallahassee, Florida 32308

Notice to the PROVIDER shall be made to:

Michael J. Bittman, Esquire
Broad and Cassel
P.O. Box 4961
Orlando, Florida 32802-4961

9. Payment shall clearly indicate it is pursuant to a settlement agreement and shall reference the audit/engagement number.
10. PROVIDER agrees that failure to pay any monies due and owing under the terms of this Agreement shall constitute PROVIDER's authorization for the Agency, without further notice, to withhold the total remaining amount due under the terms of this agreement from any monies due and owing to the PROVIDER for any Medicaid claims.
11. The parties are entitled to enforce this Agreement under the laws of the State of Florida, the Rules of the Medicaid Program, and all other applicable law.
12. This settlement does not constitute an admission of wrongdoing or error by the parties with respect to this case or any other matter.
13. Each party shall bear their respective attorneys' fees and costs, if any.
14. The signatories to this Agreement, acting in their representative capacities, are duly authorized to enter into this Agreement on behalf of the party represented.
15. The parties further agree a facsimile or photocopy reproduction of this Agreement shall be sufficient for the parties to enforce the Agreement. The PROVIDER agrees, however, to

forward a copy of this Agreement to AHCA with original signatures, and understands that a Final Order may not be issued until said original Agreement is received by AHCA.

16. This Agreement shall be construed in accordance with the provisions of the laws of Florida. Venue for any action arising from this Agreement shall be in Leon County, Florida.

17. This Agreement constitutes the entire agreement between PROVIDER and AHCA, including anyone acting for, associated with or employed by them, concerning all matters and supersedes any prior discussions, agreements or understandings; there are no promises, representations or agreements between PROVIDER and the AHCA other than and as set forth herein. This agreement shall not waive any right that PROVIDER may have to contest the notice of recalculation referenced in paragraph 8 above. No modifications or waiver of any provision shall be valid unless a written amendment to the Agreement is completed and properly executed by the parties.

18. This is an Agreement of settlement and compromise, made in recognition that the parties may have different or incorrect understandings, information and contentions, as to facts and law, and with each party compromising and settling any potential correctness or incorrectness of its understandings, information and contentions as to facts and law, so that no misunderstanding or misinformation shall be a ground for rescission hereof.

19. Except with respect to any recalculation(s) described in **Exhibit B**, PROVIDER expressly waives in this matter their right to any hearing pursuant to sections §§120.569 or 120.57, Florida Statutes, the making of findings of fact and conclusions of law by the Agency, and all further and other proceedings to which it may be entitled by law or rules of the Agency regarding these proceedings and any and all issues raised herein, other than enforcement of this

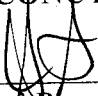

Agreement. The PROVIDER further agrees the Agency shall issue a Final Order, which adopts this Agreement.

20. This Agreement is and shall be deemed jointly drafted and written by all parties to it and shall not be construed or interpreted against the party originating or preparing it.

21. To the extent any provision of this Agreement is prohibited by law for any reason, such provision shall be effective to the extent not so prohibited, and such prohibition shall not affect any other provision of this Agreement.

22. This Agreement shall inure to the benefit of and be binding on each party's successors, assigns, heirs, administrators, representatives and trustees.

Independent Accountants' Report

Secretary

Agency for Health Care Administration:

We have examined the schedules and statistical data as listed in the Table of Contents, which were derived from the Cost Report for Florida Medicaid Program Nursing Home Service Providers (the "Cost Report") of The Health Center of Coconut Creek, Inc., d/b/a The Health Center of Coconut Creek (the "Provider"), for the fifteen month period ended December 31, 2001. These schedules and statistical data are the responsibility of the Provider's management. Our responsibility is to express an opinion on the schedules and statistical data based on our examination.

Except as discussed in the following paragraph, our examination was made in accordance with standards established by the American Institute of Certified Public Accountants and accordingly, included examining on a test basis, evidence supporting the accompanying schedules and statistical data and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

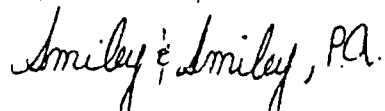

The Provider is reimbursed under the Fair Rental Value System ("FRVS"). Accordingly, property cost information for depreciation, interest and rent included on the Schedule of Costs, equity capital information on the Schedule of Statistics and Equity Capital, capital replacement and equity in capital assets information on the Schedule of Fair Rental Value System Data and related per diem information on the Schedule of Allowable Medicaid Costs and the Schedule of Interim Rates have not been subjected to examination procedures.

Attachment A to this report includes adjustments which, in our opinion, should be recorded in order for the data, as reported, in the accompanying schedules for the fifteen month period ended December 31, 2001, to be presented in conformity with federal and state Medicaid reimbursement principles as described in Note 1. To quantify the effect of the required adjustments, we have applied the adjustments as described in Attachment A to the amounts and statistical data, as reported, in the accompanying schedules.

In our opinion, except for the effects of such adjustments as might have been determined to be necessary had amounts and data described in the third paragraph above been examined, and for the effects of not recording adjustments as discussed in the preceding paragraph, the accompanying schedules and statistical data listed in the Table of Contents present, in all material respects, the amounts and statistical data derived from the cost report of The Health Center of Coconut Creek, Inc., d/b/a The Health Center of Coconut Creek for the fifteen month period ended December 31, 2001, in conformity with federal and state Medicaid reimbursement principles as described in Note 1.

This report is intended solely for the information and use of the State of Florida Agency for Health Care Administration and management of The Health Center of Coconut Creek, Inc. and is not intended to be and should not be used by anyone other than these specified parties.

Notes to Schedules
for the fifteen month period ended December 31, 2001

Note 1 - Basis of Presentation

The schedules, which were derived from the Cost Report for Florida Medicaid Program Nursing Home Service Providers (cost report) for the current period, have been prepared in conformity with federal and state Medicaid reimbursement principles as specified in the State of Florida Medicaid Program as defined by applicable cost and reimbursement principles, policies, and regulations per Medicaid principles of reimbursement as interpreted by the Provider Reimbursement Manual (CMS-Pub. 15-1), Florida Title XIX Long-Term Care Reimbursement Plan, and the State of Florida's Agency for Health Care Administration Audit Services Medicaid Procedures Manual. The format and content of the information included in the schedules have been developed by the State of Florida's Agency for Health Care Administration Audit Services.

The balances in the "As Reported" columns of the schedules are the assertions and responsibility of the management of the nursing home. The balances in the "As Adjusted" columns are the result of applying the adjustments reflected in the "Increase (Decrease)" columns to the balances in the "As Reported" columns.

Note 2 - Allocations and Apportionment

Schedules G, G-1 and H of the cost report allocate allowable administration, plant operation and housekeeping costs to allowable and nonallowable ancillary, patient care, laundry and linen and nonreimbursable cost centers based on predetermined statistical bases, such as square footage or total costs, as explained in the cost report. These schedules then apportion allowable costs after allocations to the Medicaid program based on other statistical bases, such as patient days or ancillary charges, as explained in the cost report. The net effect of such allocations and apportionments on each reimbursement class is presented in the Schedule of Allowable Medicaid Costs.

Note 3 - Initial Medicaid Per Diem

Allowable Medicaid per diem costs for property and return on equity have not been calculated under the provisions of the applicable revision of the Florida Title XIX Long-Term Care Reimbursement Plan, and fair rental value provisions have not been applied. The effect, if any, of the fair rental value system, will be determined during the rate setting process, and where applicable, prospective rates will be calculated by applying inflation factors, incentives, low utilization penalties and reimbursement ceilings.

Note 4 - Capital Replacement Pass-Through Costs

Capital replacement pass-through costs in the form of depreciation and interest are presented without regard to the number of years remaining, if any, to full fair rental value system phase-in. Accordingly, pass-through reimbursement will be calculated based on amounts equal to or less than fifty percent of the costs presented herein as capital replacement pass-through costs. Once full fair rental value system phase-in has occurred no capital replacement costs are allowed to be passed through.

Notes to Schedules
for the fifteen month period ended December 31, 2001

Note 5 - Interim Rate Cost Settlement

The Florida Title XIX Long-Term Care Reimbursement Plan stipulates that provider reimbursement, which is based on budgeted cost projections, will be subject to cost settlement. The amount of such settlement will be based on the difference between the budgeted interim rate paid for the cost reporting period, and the related actual costs incurred, stated as per diem. The Schedule of Interim Rate Cost Settlement Data presented herein will be used as the basis for determining any amounts due to or due from the Provider.

Note 6 - Direct Patient Care

The schedule of Direct Patient Care, which was derived from the Cost Report for Florida Medicaid Program Nursing Home Service Providers (cost report) for the current period, has been prepared in conformity with federal and state Medicaid reimbursement principles as specified in the State of Florida Medicaid Program as defined by applicable cost and reimbursement principles, policies, and regulations per Medicaid principles of reimbursement as interpreted by the Provider Reimbursement Manual (CMS-Pub. 15-1), Florida Title XIX Long-Term Care Reimbursement Plan, and the State of Florida's Agency for Health Care Administration Audit Services Medicaid Procedures Manual.
