PENALTY

Upon a complete review of the record in this case, the Board determines that the penalty recommended by the Administrative Law Judge be ACCEPTED.

WHEREFORE, IT IS HEREBY ORDERED AND ADJUDGED:

1. Respondent shall pay an administrative fine in the amount of \$10,000.00 to the Board within 30 days from the date this Final Order is filed.

2. Within one (1) year from the date this Final Order is filed, Respondent shall document the completion of 100 hours of community service. Community service shall be provided without fee or cost to the person or entity benefiting from the service, for the good of the people of the State of Florida. A community service plan must be pre-approved by the Board's Probation Committee. Affidavits detailing the completion of community

service requirements shall be filed with the Board's Probation Committee.

3. Respondent shall document the completion of 5 hours of continuing medical education (CME) in the area of risk management within one year from the date this Final Order is filed. These hours shall be in addition to those hours required for biennial renewal of licensure. Respondent shall first submit a written request to the Probation Committee for approval prior to performance of said CME course(s). Unless otherwise approved by the Board or the Chairperson of the Probation Committee, said continuing education courses shall consist of a formal live lecture format.

4. Respondent shall be placed on probation for a period of three years subject to the following terms and conditions:

a. Respondent shall appear before the Board's Probation Committee at the first meeting after said probation commences, at the last meeting of the Probation Committee preceding termination of probation, quarterly, and at such other times requested by the Committee. Respondent shall be noticed by Board staff of the date, time and place of the Board's Probation Committee whereat Respondent's appearance is required. Failure of the Respondent to appear as requested or directed shall be considered a violation of the terms of probation, and shall subject the Respondent to disciplinary action. Unless otherwise

provided in the Final Order, appearances at the Probation Committee shall be made quarterly.

b. Respondent shall not practice except under the indirect supervision of a physician fully licensed under Chapter 458 to be approved by the Board's Probation Committee. Absent provision for and compliance with the terms regarding temporary approval of a monitoring physician set forth below, Respondent shall cease practice and not practice until the Probationer's Committee approves a monitoring physician. Prior to approval of the monitoring physician by the committee, the Respondent shall provide to the monitoring physician a copy of the Administrative Complaint and Final Order filed in this case. A failure of the Respondent or the monitoring physician to appear at the scheduled probation meeting shall constitute a violation of the Board's Final Order. Prior to the approval of the monitoring physician by the Committee, Respondent shall submit to the committee a current curriculum vitae and description of the current practice of the proposed monitoring physician. Said materials shall be received in the Board office no later than fourteen days before the Respondent's first scheduled probation appearance. The attached definition of a monitoring physician

(2) Be available for consultation with Respondent whenever necessary, at a frequency of at least once per month.

(3) Review 25 percent of Respondent's patient records selected on a random basis at least once every month. In order to comply with this responsibility of random review, the monitoring physician shall go to Respondent's office once every month. At that time, the monitoring physician shall be responsible for making the random selection of the records to be reviewed by the monitoring physician.

c. In view of the need for ongoing and continuous monitoring or supervision, Respondent shall also submit the curriculum vitae and name of an alternate supervising/monitoring physician who shall be approved by Probation Committee. Such physician shall be licensed pursuant to Chapter 458, Florida Statutes, and shall have the same duties and responsibilities as specified for Respondent's monitoring/supervising physician during those periods of time which Respondent's monitoring/supervising physician is temporarily unable to provide supervision. Prior to practicing under the indirect supervision of the alternate monitoring physician or the direct supervision of the alternate supervising physician, Respondent shall so advise the Board in writing. Respondent shall further advise the Board in writing of the period of time during which Respondent shall practice under the supervision of the alternate monitoring/supervising physician. Respondent shall not practice unless Respondent is under the supervision of either the approved supervising/monitoring physician or the approved alternate.
