STATE OF FLORIDA
BOARD OF MEDICINE

DEPARTMENT OF HEALTH,

Petitioner,

vs.

DOH CASE NO.: 2006-38439
DOAH CASE NO.: 08-4285PL
LICENSE NO.: ME0033997

LUCIEN ARMAND, M.D.,

Respondent.

FINAL ORDER

THIS CAUSE came before the BOARD OF MEDICINE (Board) pursuant to Sections 120.569 and 120.57(1), Florida Statutes, on August 14, 2009, in Jacksonville, Florida, for the purpose of considering the Administrative Law Judge's Recommended Order Exceptions to the Recommended Order, and Response to Exceptions to the Recommended Order (copies of which are attached hereto as Exhibits A, B, and C, respectively) in the above-styled cause. Petitioner was represented by Diane Kiesling, Assistant General Counsel. Respondent was present and was represented by Sean Ellsworth, Esquire.

Upon review of the Recommended Order, the argument of the parties, and after a review of the complete record in this case, the Board makes the following findings and conclusions.

RULING ON EXCEPTIONS

The Board reviewed the Respondent's Exceptions to the Recommended Order and denied the Respondent's exceptions because he failed to clearly identify the disputed portions of the recommended order by page number or paragraph; and for the reasons stated in the Petitioner's Response to Respondent's Exceptions.

FINDINGS OF FACT

1. The findings of fact set forth in the Recommended Order are approved and adopted and incorporated herein by reference.

2. There is competent substantial evidence to support the findings of fact.

CONCLUSIONS OF LAW

1. The Board has jurisdiction of this matter pursuant to Section 120.57(1), Florida Statutes, and Chapter 458, Florida Statutes.

2. The conclusions of law set forth in the Recommended Order are approved and adopted and incorporated herein by reference.

PENALTY

Upon a complete review of the record in this case, the Board determines that the penalty recommended by the Administrative Law Judge be modified as follows: The Administrative Law Judge recommended an indefinite suspension of

Respondent's license to practice medicine in Florida but allowing him to practice outside the United States through Respondent's relationship with the U.S. Department of State after full disclosure of the Board's Final Order to the U.S. Department of State. The Administrative Law Judge also recommended that should a medical license not be a condition of employment by the U.S. Department of State, Respondent's license should be revoked. The Board finds that revocation of licensure is an appropriate penalty based upon the following aggravating circumstances:

1. Respondent has been subject of three prior disciplines by the Board of Medicine arising out of five previous disciplinary cases.

2. Respondent has been required to undergo a Florida CARES evaluation as the result of Final Orders filed in two previous disciplinary cases.

3. Respondent has been required to serve a probationary period as the result of Final Orders filed in two previous disciplinary cases.

4. There have been three previous violations of the standard of care arising out of the five previous disciplinary cases.

WHEREFORE, IT IS HEREBY ORDERED AND ADJUDGED:

Respondent's license to practice medicine in the State of Florida is hereby REVOKED.

RULING ON MOTION TO ASSESS COSTS

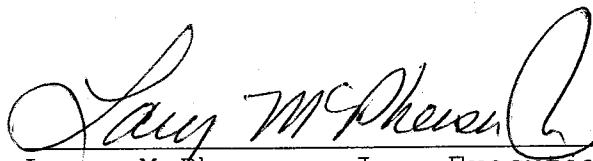

The Board reviewed the Petitioner's Motion to Assess Costs, Respondent's Corrected Objections to the Department of Health's Motion To Assess Costs, and the Petitioner's Response to The Respondent's Corrected Objections to the Department of Health's Motion To Assess Costs, and imposes the costs associated with this case in the amount of \$26,254.62. Said costs are to be paid within 30 days from the date this Final Order is filed.

(NOTE: SEE RULE 64B8-8.0011, FLORIDA ADMINISTRATIVE CODE. UNLESS OTHERWISE SPECIFIED BY FINAL ORDER, THE RULE SETS FORTH THE REQUIREMENTS FOR PERFORMANCE OF ALL PENALTIES CONTAINED IN THIS FINAL ORDER.)

DONE AND ORDERED this 27 day of AUGUST,

2009.
