RECOMMENDED ORDER

On April 15, 2009, an administrative hearing in this case was held in Tallahassee, Florida, with Respondent appearing by telephone, before Lawrence P. Stevenson, Administrative Law Judge, Division of Administrative Hearings (DOAH).

APPEARANCES

For Petitioners: No appearance

For Respondent: James Sursely, pro se  
Action Orlando Motorsports  
306 West Main Street  
Apopka, Florida 32712

STATEMENT OF THE ISSUE

The issue is whether Petitioners are entitled to a motor vehicle dealership that is proposed to be located in Longwood, Florida.

PRELIMINARY STATEMENT

On September 5, 2008, CF Moto Powersports, Inc. and Mega Power Sports Corp. (Petitioners) published a Notice of Publication for a New Point Franchise Motor Vehicle Dealer in a County of More than 300,000 Population in the Florida Administrative Weekly. Respondent Action Orlando Motorsports filed a protest with the Department of Highway Safety and Motor Vehicles (Department) on September 17, 2008. By letter dated September 25, 2008, the Department referred the matter to DOAH to assign an administrative law judge to conduct a hearing "for the sole purpose of determining the propriety of the protest regarding issues specifically within the purview of Sections 320.642 and 320.699, Florida Statutes."

The hearing was convened as scheduled. Respondent was present and ready to proceed. Petitioners made no appearance.

James Sursely, the owner of Action Orlando Motorsports, testified at the hearing.

The hearing was not transcribed. Respondent waived the filing of a proposed recommended order. All references to the Florida Statutes are to the 2008 edition unless otherwise indicated.

FINDINGS OF FACT

1. Respondent is an existing franchised dealer of motorcycles manufactured by Chunfeng Holding Group Co. Ltd. (CFHG). Respondent also has an existing distribution arrangement with Petitioner CF Moto Powersports, Inc.

2. Petitioners have proposed the establishment of a new dealership to sell the same line and make of motorcycles as those sold by Respondent.

3. Respondent's dealership is located at 306 West Main Street, Apopka, Florida 32712.

4. Petitioners' proposed dealership would be located at 821 South Highway 17-92, Suite 101, Longwood, Florida 32750.

5. The proposed dealership is within a 12.5-mile radius of Respondent's dealership.

6. Respondent has standing to protest the establishment of the proposed dealership.

CONCLUSIONS OF LAW

7. DOAH has jurisdiction over the parties and the subject matter of this proceeding. §§ 120.569 and 120.57(1), Fla. Stat.

8. The Department is the agency responsible for regulating the licensing and franchising of motor vehicle dealers. §§ 320.60-320.70, Fla. Stat.

9. Subsection 320.642(1), Florida Statutes, requires a motor vehicle dealer who proposes to establish an additional

motor vehicle dealership within an area already represented by the same line-make vehicle to give written notice to the Department of its intent to establish a new franchise. The statute also provides that any affected dealership may protest the establishment of a new franchise in its territory.

10. Subsection 320.642(2), Florida Statutes, establishes the standards of review to determine if establishment of a new, competing motor vehicle franchise should be granted. Subsection 320.642(2)(a), Florida Statutes, provides in relevant part:

An application for a motor vehicle dealer license in any community or territory shall be denied when:

1. A timely protest is filed by a presently existing franchised motor vehicle dealer with standing to protest as defined in subsection (3); and

2. The licensee fails to show that the existing franchised dealer or dealers who register new motor vehicle retail sales or retail leases of the same line-make in the community or territory of the proposed dealership are not providing adequate representation of such line-make motor vehicles in such community or territory. The burden of proof in establishing inadequate representation shall be on the licensee.

11. Pursuant to Subsection (3)(b)1. of Section 320.642, Florida Statutes, "if the proposed additional . . . motor vehicle dealer is to be located in a county with a population of more than 300,000," as in the instant case, then any existing

motor vehicle dealer of the same line-make whose licensed franchise location is within a radius of 12.5 miles of the proposed additional dealer has standing to file a protest within the meaning of Subsection (2)(a)1. of the statute.

12. Respondent is an existing motor vehicle dealer who has standing to file a protest of the proposed new dealership in this case.

13. The burden is therefore on Petitioners to prove that there is "inadequate representation" in the community or territory of the proposed new dealership, according to the criteria set forth in Subsection 320.642(2)(b), Florida Statutes.

14. Petitioners made no appearance and presented no evidence at the final hearing. Petitioners failed to meet their burden of proof.

15. The approval sought by Petitioners must therefore be denied.

#### RECOMMENDATION

Based on the foregoing Findings of Fact and Conclusions of Law, it is

RECOMMENDED:

That the Department of Highway Safety and Motor Vehicles enter a final order denying the establishment of Petitioners' proposed franchise.

DONE AND ENTERED this 29th day of April, 2009, in
