DISPOSITION

Upon a complete review of the record in this case, the Board determines that the disposition recommended by the Administrative Law Judge be ACCEPTED. WHEREFORE,

IT IS HEREBY ORDERED AND ADJUDGED that

The licensee must pay an administrative fine of \$250.00 within 120 months from the date of entry of this Final Order. Payment shall be made to the Board of Nursing and mailed to, DOH-Client Services, P.O. Box 6320, Tallahassee, Florida 32314-6320, Attention: Nursing Compliance Officer.

Respondent must undergo an evaluation coordinated by the Intervention Project for Nurses (IPN), and comply with any and all terms and conditions imposed by IPN as a result of said evaluation. It is the duty of the licensee to contact the IPN at P.O. Box 49130, Jacksonville Beach, Florida 32240-9130, (904)

270-1620 within 30 days. If the licensee is not in need of monitoring or treatment and the IPN is not suitable, no further action will be required. If the licensee is in need of monitoring or treatment, the licensee shall comply with all conditions of the IPN Advocacy Contract or he will be in violation of the Board Order.

The license of MICHAEL N. HEIMUR is placed on probation for 12 months, subject to the following conditions:

The licensee shall not violate chapters 456 or 464, Florida Statutes, the rules promulgated pursuant thereto, any other state or federal law, rule, or regulation relating to the practice or the ability to practice nursing.

The licensee must report any change in address or telephone number, employment, employer's address or telephone number, or any arrests, in writing within 10 working days to the Nursing Compliance Officer at the Department of Health, Client Services Unit, HMQAMS, BIN # C01, 4052 Bald Cypress Way, Tallahassee, Florida 32399-3251.

Whether employed as a nurse or not, the licensee shall submit written reports to the Nursing Compliance Officer which shall contain the licensee's name, license number, and current address; the name, address, and phone number of each current employer; and a statement by the licensee describing his employment. This report shall be submitted to the Nursing

Compliance Officer every three (3) months in a manner as directed by the Nursing Compliance Officer.

All current and future settings in which the licensee practices nursing shall be promptly informed of the licensee's probationary status. Within five days of the receipt of this Order, the licensee shall furnish a copy to his nursing supervisor or supervisors, if there are multiple employers. The supervisors must acknowledge this probation to the Nursing Compliance Officer in writing on employer letterhead within ten days. Should the licensee change employers, he must supply a copy of this Order to his new nursing supervisor within five days. The new employer shall acknowledge probation in writing on employer letterhead to the Nursing Compliance Officer within ten days. The licensee shall be responsible for assuring that reports from nursing supervisors will be furnished to the Nursing Compliance Officer every three (3) months. That report shall describe the licensee's work assignment, work load, level of performance, and any problems. Any report indicating an unprofessional level of performance shall be a violation of probation.

If the licensee leaves Florida for thirty (30) days or more or ceases to practice nursing in the state, this probation shall be tolled until the licensee returns to the active practice of nursing in Florida. Then the probationary period will resume.

Unless this Order states otherwise, any fines imposed or continuing education required must be paid or completed within the time specified and are not tolled by this provision. Employer reports are not required during the time probation is tolled. Working in nursing without notification to the Board is a violation of this Order.

The licensee's failure to comply with the terms of this Probation Order without the prior written consent of the Board shall be a violation of this Probation. The probation shall not be terminated until the licensee has complied with all terms of probation. The failure to comply with the terms of probation set forth above shall result in a subsequent Uniform Complaint Form being filed by the Board with the Department of Health against the Respondent's license, which may result in additional administrative fines, probationary periods, and/or suspensions being imposed against the Respondent's license. The licensee shall pay all costs necessary to comply with the terms of this Order. Such costs include, but are not limited to, the cost of preparation of investigative and probationary reports detailing the compliance with this probation; the cost of obtaining, and analysis of, any blood or urine specimens submitted pursuant to this Order; and administrative costs directly associated with the licensee's probation.

The terms of this Order are effective as of the date this Order is filed with the clerk for the Department of Health. The Board office will send the licensee information regarding probationary terms, however, failure of the licensee to receive such information DOES NOT EXCUSE COMPLIANCE with the terms of this Order.

RULING ON MOTION FOR COSTS

The licensee must pay investigative costs of \$9,020.31 within 120 months from the date of entry of this Final Order. Partial payments shall not be accepted. Payment shall be made to the Board of Nursing and mailed to, DOH-Client Services, P.O. Box 6320, Tallahassee, Florida 32314-6320, Attention: Nursing Compliance Officer.
