CORRECTED FINAL ORDER

THIS MATTER came before the Construction Industry Licensing Board (hereinafter referred to as the "Board") pursuant to Sections 120.569 and 120 57(1), Florida Statutes, on June 10, 2010, in Altamonte Springs, Florida, for consideration of the Administrative Law Judge's Recommended Order. Petitioner was represented by Jeff Kelly, Esquire. Respondent was not present. This Order is corrected as to case number.

Upon consideration, the Board FINDS:

After reviewing the complete record accompanying the Recommended Order, the Recommended Order, and being fully advised in the premises, the Board hereby adopts the findings of fact, conclusions of law, and the recommendation contained in the Recommended Order. A copy of the Recommended Order, attached to and made a part hereof, is hereby adopted in full and becomes the Final Order of the Board.

THEREFORE, IT IS HEREBY ORDERED AND ADJUDGED:

1. Respondent shall pay an administrative fine in the amount of \$4,500.00 and

investigative costs in the amount of \$351.47. Said fine and costs shall be paid within thirty (30) days after the date of filing of the Final Order.

In addition, the Respondent is required to pay interest on the fine due to the Board at a rate of 18% per annum, beginning on the thirty-first (31st) day after the issuance of the Final Order.

2. Respondent's license to practice contracting is hereby suspended. Provided the fines and costs are paid, the suspension will terminate after three months. Otherwise, the suspension will remain in effect beyond the three months until such time as the fine and costs are paid in full.

3. Respondent shall pay restitution in the amount of \$13,952.00 to Alvin Coiner Proof of restitution, or acknowledgment of satisfaction must be provided to the Executive Director of the Construction Industry Licensing Board, at P.O. Box 5257, Tallahassee, FL 32314-5257 within thirty (30) days of the date of the filing of the Final Order.

4. Following the suspension in paragraph 2, Respondent's license shall be placed on PROBATION for 2 years, with satisfactory appearances with the following conditions:

(A) Respondent is required to appear before the Probation Committee of the Board at such times as directed by the Board Office, approximately every six (6) months. Respondent's first probationary appearance requires a full day attendance at the Board meeting. In connection with each probation appearance, Respondent shall answer questions under oath. In addition, Respondent shall provide such other information or documentation as is requested by either the Petitioner, Department, the Board or the Probation Committee. Respondent shall forward said documentation to the Board at least

30 days in advance of the probation appearance or as otherwise directed.

(B) The burden shall be solely upon Respondent to remember the requirement for said appearance and to take the necessary steps in advance of said appearance to contact the Board office and ascertain the specific time, date, and place of said appearance. Respondent shall not rely on notice of said appearance from the Board or the Department.

(C) Should Respondent violate any condition of the probation, it shall be considered a violation of Section 489.129(1)(i), Florida Statutes, and shall result in further disciplinary action by the Board.

(D) Should the Respondent fail to make a satisfactory appearance as determined by the Board, the term of the probationary period shall automatically be extended by six (6) months, with 1 additional satisfactory appearance. If there occurs a second such failure then the term of probationary period will be extended an additional year, with 2 additional satisfactory appearances. Should the Board determine a third failure of the Respondent to make a satisfactory appearance, the stay of suspension of the Respondent's license to practice contracting shall be lifted and the license shall remain in suspended status unless and until a further stay is granted by the Board.

(E) Should Respondent's license to practice contracting be suspended or otherwise placed on inactive status, the probation period shall be tolled during the period of the suspension or inactivity and shall resume running at the time the suspension is stayed or Respondent reactivates the license and Respondent shall serve the time remaining on the term of probation.

(F) To ensure successful completion of probation, Respondent's license to practice contracting shall be suspended for the period of probation, with the suspension stayed for

the period of probation. The time of the suspension and the stay shall run concurrently with the period of probation. If Respondent successfully completes probation, the suspension shall terminate. If Respondent fails to comply with the requirements set forth in the Final Order imposed in this case, or fails to make satisfactory appearances as determined by the Board, the stay shall be lifted. Once the stay is lifted, the license shall remain in suspended status unless and until a further stay is granted by the Board.

5. A change in licensure status, including the suspension, revocation, voluntary relinquishment, or involuntary relinquishment of license does not relieve Respondent of the obligation to pay any fines, costs, interest or restitution imposed in this Order.

This Final Order shall become effective upon filing with the Clerk of the Department of Business and Professional Regulation.

DONE AND ORDERED this 26 day of January, 2011.

WILLIAM S. SHEEHAN, Chair
Construction Industry Licensing Board
