MATTHEW JAY KACHINAS, M.D.,

Respondent.

FINAL ORDER

THIS CAUSE came before the BOARD OF MEDICINE (Board) pursuant to Sections 120.569 and 120.57(1), Florida Statutes, on April 9, in Tampa, Florida, for the purpose of considering the Administrative Law Judge's Recommended Order, Exceptions to the Recommended Order, and Response to Exceptions to the Recommended Order (copies of which are attached hereto as Exhibits A, B, and C, respectively) in the above-styled cause. Petitioner was represented by Diane K. Kiesling, Assistant General Counsel. Respondent was present but was not represented by counsel.

Upon review of the Recommended Order, the argument of the parties, and after a review of the complete record in this case, the Board makes the following findings and conclusions.

## RULING ON EXCEPTIONS

The Board reviewed and considered the Respondent's Exceptions to the Recommended Order and ruled as follows:

1. The Board denied Respondent's Exception to Paragraph 20 of the Recommended Order for the reasons stated in Petitioner's written and oral response to Respondent's Exceptions. There is competent substantial evidence in the record to support the Administrative Law Judge's finding in Paragraph 20 of the Recommended Order.

2. The Board denied Respondent's Exception to Paragraph 30 of the Recommended Order for the reasons stated in Petitioner's written and oral response to Respondent's Exceptions. There is competent substantial evidence in the record to support the Administrative Law Judge's finding in Paragraph 30 of the Recommended Order.

3. The Board denied Respondent's Exception to Paragraph 32 of the Recommended Order for the reasons stated in Petitioner's written and oral response to Respondent's Exceptions. There is competent substantial evidence in the record to support the Administrative Law Judge's finding in Paragraph 32 of the Recommended Order.

4. The Board denied Respondent's Exception to Paragraph 33 of the Recommended Order for the reasons stated in Petitioner's

written and oral response to Respondent's Exceptions. There is competent substantial evidence in the record to support the Administrative Law Judge's finding in Paragraph 33 of the Recommended Order.

5. The Board denied Respondent's Exception to Paragraph 34 of the Recommended Order for the reasons stated in Petitioner's written and oral response to Respondent's Exceptions. There is competent substantial evidence in the record to support the Administrative Law Judge's finding in Paragraph 34 of the Recommended Order.

6. The Board denied Respondent's Exception to Paragraph 35 of the Recommended Order for the reasons stated in Petitioner's written and oral response to Respondent's Exceptions. There is competent substantial evidence in the record to support the Administrative Law Judge's finding in Paragraph 35 of the Recommended Order.

7. The Board denied Respondent's Exception to Paragraph 36 of the Recommended Order for the reasons stated in Petitioner's written and oral response to Respondent's Exceptions. There is competent substantial evidence in the record to support the Administrative Law Judge's finding in Paragraph 36 of the Recommended Order.

8. The Board denied Respondent's Exception to Paragraph 40 of the Recommended Order for the reasons stated in Petitioner's written and oral response to Respondent's Exceptions. There is competent substantial evidence in the record to support the Administrative Law Judge's finding in Paragraph 40 of the Recommended Order.

9. The Board denied Respondent's Exception to Paragraphs 51 - 53 of the Recommended Order for the reasons stated in Petitioner's written and oral response to Respondent's Exceptions. There is competent substantial evidence in the record to support the Administrative Law Judge's finding in Paragraphs 51 - 53 of the Recommended Order.

#### FINDINGS OF FACT

1. The findings of fact set forth in the Recommended Order are approved and adopted and incorporated herein by reference with the exception to the following change to Paragraph 25 of the Recommended Order:

The phrase "internal fetal medicine" should read "maternal fetal medicine." Page 17, line 16 of the transcript of the proceeding demonstrates that the reference to "internal fetal medicine" was merely a misreading or a typographical error on the part of the Administrative Law Judge. Neither party objected to the change.

2. There is competent substantial evidence to support the findings of fact as amended.

CONCLUSIONS OF LAW

1. The Board has jurisdiction of this matter pursuant to Section 120.57(1), Florida Statutes, and Chapter 458, Florida Statutes.

2. The conclusions of law set forth in the Recommended Order are approved and adopted and incorporated herein by reference.

PENALTY

Upon a complete review of the record in this case, the Board determines that the penalty recommended by the Administrative Law Judge be ACCEPTED. WHEREFORE, IT IS HEREBY ORDERED AND ADJUDGED:

1. In **DOAH Case No. 09-4678PL:**

a. Respondent shall pay an administrative fine in the amount of \$2,500.00 to the Board within 30 days from the date the Final Order is filed.

b. Respondent shall be placed on probation for a period of one (1) year subject to the following terms and conditions:

(1) Respondent shall appear before the Board's Probation Committee at the first meeting after said probation commences, at the last meeting of the Probation Committee preceding

termination of probation, quarterly, and at such other times requested by the Committee. Respondent shall be noticed by Board staff of the date, time and place of the Board's Probation Committee whereat Respondent's appearance is required. Failure of the Respondent to appear as requested or directed shall be considered a violation of the terms of probation, and shall subject the Respondent to disciplinary action. Unless otherwise provided in the Final Order, appearances at the Probation Committee shall be made quarterly.

(2) Respondent shall not practice except under the indirect supervision of a **BOARD CERTIFIED** physician fully licensed under Chapter 458 to be approved by the Board's Probation Committee. Absent provision for and compliance with the terms regarding temporary approval of a monitoring physician set forth below, Respondent shall cease practice and not practice until the Probationer's Committee approves a monitoring physician. Respondent shall have the monitoring physician present at the first probation appearance before the Probation Committee. Prior to approval of the monitoring physician by the committee, the Respondent shall provide to the monitoring physician a copy of the Administrative Complaint and Final Order filed in this case. A failure of the Respondent or the monitoring physician to appear at the scheduled probation

meeting shall constitute a violation of the Board's Final Order. Prior to the approval of the monitoring physician by the Committee, Respondent shall submit to the committee a current curriculum vitae and description of the current practice of the proposed monitoring physician. Said materials shall be received in the Board office no later than fourteen days before the Respondent's first scheduled probation appearance. The attached definition of a monitoring physician is incorporated herein.

The responsibilities of a monitoring physician shall include:

- A. Submit quarterly reports, in affidavit form, which shall include:
  - I. Brief statement of why physician is on probation.
  - II. Description of probationer's practice.
  - III. Brief statement of probationer's compliance with terms of probation.
  - IV. Brief description of probationer's relationship with monitoring physician.
  - V. Detail any problems which may have arisen with probationer.
- B. Be available for consultation with Respondent whenever necessary, at a frequency of at least once per month.
- C. Review 100% of Respondent's patient records least once every month. In order to comply with this responsibility of

random review, the monitoring physician shall go to Respondent's office once every month.

D. Report to the Board any violations by the probationer of Chapter 456 and 458, Florida Statutes, and the rules promulgated pursuant thereto.

(3) In view of the need for ongoing and continuous monitoring or supervision, Respondent shall also submit the curriculum vitae and name of an alternate supervising/monitoring physician who shall be approved by Probation Committee. Such physician shall be licensed pursuant to Chapter 458, Florida Statutes, and shall have the same duties and responsibilities as specified for Respondent's monitoring/supervising physician during those periods of time which Respondent's monitoring/supervising physician is temporarily unable to provide supervision. Prior to practicing under the indirect supervision of the alternate monitoring physician or the direct supervision of the alternate supervising physician, Respondent shall so advise the Board in writing. Respondent shall further advise the Board in writing of the period of time during which Respondent shall practice under the supervision of the alternate monitoring/supervising physician. Respondent shall not practice unless Respondent is under the supervision of either the

approved supervising/monitoring physician or the approved alternate.

(4) CONTINUITY OF PRACTICE

(A) TOLLING PROVISIONS.

In the event the Respondent leaves the State of Florida for a period of 30 days or more or otherwise does not or may not engage in the active practice of medicine in the State of Florida, then certain provisions of the requirements in the Final Order shall be tolled and shall remain in a tolled status until Respondent returns to the active practice of medicine in the State of Florida. **Respondent shall notify the Compliance Officer 10 days prior to his/her return to practice in the State of Florida.** Unless otherwise set forth in the Final Order, the following requirements and only the following requirements shall be tolled until the Respondent returns to active practice:

a. Respondent shall pay an administrative fine in the amount of \$1,000.00 to the Board within 30 days from the date the Final Order is filed.

b. Respondent shall be placed on probation for a period of one (1) year to run concurrent with the term of probation set forth in paragraph 1.b., above, and subject to the same terms and conditions.
