Re: *Orange County Public Schools v. Terri Medus*
Case No.: 15-000689TTS

Dear Madame Clerk:

We are in receipt of the January 12, 2017 Memorandum from Lisa S. Nelson, Deputy Chief Judge requesting we furnish the Division with a copy of the Agency's Final Order.

Please note that subsequent to the Honorable Linzie F. Bogan's recommended order, the parties entered into a Settlement Agreement and General Mutual Release fully settling all differences between them relating to the above matter and any other claims the parties may have against each other. Therefore, a final order was not issued.

Should the Division require any further information, please contact me.

Respectfully,

John C. Palmerini, B.C.S.
Associate General Counsel
