AMENDED FINAL ORDER

THIS MATTER is before the Department of Health ("Department") upon execution of a settlement agreement between Loop's Nursery and Greenhouses, Inc. ("Loop's") and the Department.

BACKGROUND

On December 14, 2015, Loop's filed a Petition for Formal Administrative Proceeding challenging the Department's denial of its application to become a low-THC cannabis dispensing organization in the Northeast region. An administrative hearing was held and on January 5, 2017, the Department issued a Final Order denying Loop's petition.

Loop's filed an appeal of the Final Order in the First District Court of Appeals, Case No. 1D17-0237.

On July 31, 2017, Loop's and the Department entered into a settlement agreement, attached as Exhibit A, approving Loop's for licensure as a medical marijuana

treatment center in accordance with section 381.986(8)(a)2.a., Florida Statutes (2017).
The settlement agreement resolves all controversies between the parties in this matter.

ORDER

Based on the foregoing, the Order section of the Final Order rendered on January 5, 2017, is amended to state the following:

The settlement agreement, attached as Exhibit A is approved, adopted and incorporated by reference in this Final Order.

Loop's is approved to be licensed as a medical marijuana treatment center in accordance with section 381.986(8)(a)2.a., Florida Statutes (2017).
