FINAL ORDER

THIS CAUSE is before the Agency for Persons with Disabilities for consideration and final agency action concerning Petitioner's request for an exemption from disqualification from holding a position of special trust as provided in Chapter 435, Florida Statutes. Petitioner seeks an exemption from disqualification so that Petitioner can work in a position having direct contact with developmentally disabled children or adults served in programs regulated by the Department of Children and Families or the Agency for Persons with Disabilities. Following administrative hearing at DOAH on October 4, 2016, the Administrative Law Judge issued a Recommended Order concluding that Petitioner did not demonstrate sufficient rehabilitation such that she should be considered for exemption. Neither party filed exceptions to the Recommended Order. There being no basis to reject the findings of fact and conclusions of law of the Administrative Law Judge, the Recommended Order is approved and adopted.

Being fully advised in the premises, Petitioner's request for an exemption from disqualification from holding a position of special trust in hereby DENIED.
