FINAL ORDER

Having reviewed the Administrative Complaints and Notices of Intent to Deny, and all other matters of record, the Agency for Health Care Administration finds and concludes as follows:

1. The Agency issued the attached Administrative Complaints and Notices of Intent to Deny license renewal applications to the Provider. (Composite Ex. 1) The parties have since entered into the attached Settlement Agreement, which is adopted and incorporated by reference into this Final Order. (Ex. 2)

2. The Notices of Intent to Deny the license renewal applications are withdrawn. If the Agency has not already completed its review of the renewal applications, it shall resume its review of the applications. The Provider shall pay the Agency \$10,000.00 and agrees they will not be eligible to hold Extended Congregate Care and Limited Nursing Services specialty license in the future and further agrees not to apply for such licensure. If full payment has been made, the cancelled check acts as receipt of payment and no further payment is required. If full payment has not been made, payment is due within nine (9) months of the Final Order. Overdue amounts are subject to statutory interest and may be referred to collections. A check made payable to the "Agency for Health Care Administration" and containing the AHCA ten-digit case number should be sent to:
