FINAL ORDER

THIS CAUSE came on for consideration before the Agency for Health Care Administration ("the Agency"), which finds and concludes as follows:

1. The Agency issued the Provider, Rona's Retirement Home, Inc., ("the Provider"), the attached Notice of Intent to Deny Renewal Application for an Assisted Living Facility and Election of

Rights Form (Ex. 1) and Administrative Complaint and Election of Rights Form (Ex. 2). The Agency also issued the attached Administrative Complaint and Election of Rights Form (Ex. 3) against Beverly Ramnarine, Individually, the Provider's controlling interest. The parties have since entered into the attached Settlement Agreement (Ex. 4), which is adopted and incorporated by reference.

2. The Provider's license renewal application is withdrawn and its assisted living facility license is surrendered effective September 30, 2019.

3. In accordance with Florida law, the Provider is responsible for retaining and appropriately distributing all client records within the timeframes prescribed in the authorizing statutes and applicable administrative code provisions. The Provider is advised of Section 408.810, Florida Statutes.

4. In accordance with Florida law, the Provider is responsible for any refunds that may have to be made to the clients.

5. The Provider is given notice of Florida law regarding unlicensed activity. The Provider is advised of Section 408.804 and Section 408.812, Florida Statutes. The Provider should also consult the applicable authorizing statutes and administrative code provisions. The Provider is notified that the cancellation of an Agency license may have ramifications potentially affecting accrediting, third party billing including but not limited to the Florida Medicaid program, and private contracts.

6. An administrative fine \$104,500.00 is imposed on the Provider, and a fine of \$101,000.00 is imposed on Beverly Ramnarine, individually but is STAYED and shall be held in abeyance in accordance with the terms of the Agreement.

7. The Parties shall comply with the remaining terms of the Agreement.

ORDERED at Tallahassee, Florida, on this 9 day of September, 2019.

NOTICE OF FLORIDA LAW

408.804 License required; display.--

- (1) It is unlawful to provide services that require licensure, or operate or maintain a provider that offers or provides services that require licensure, without first obtaining from the agency a license authorizing the provision of such services or the operation or maintenance of such provider.
- (2) A license must be displayed in a conspicuous place readily visible to clients who enter at the address that appears on the license and is valid only in the hands of the licensee to whom it is issued and may not be sold, assigned, or otherwise transferred, voluntarily or involuntarily. The license is valid only for the licensee, provider, and location for which the license is issued.

408.812 Unlicensed activity. --

- (1) A person or entity may not offer or advertise services that require licensure as defined by this part, authorizing statutes, or applicable rules to the public without obtaining a valid license from the agency. A licenseholder may not advertise or hold out to the public that he or she holds a license for other than that for which he or she actually holds the license.
- (2) The operation or maintenance of an unlicensed provider or the performance of any services that require licensure without proper licensure is a violation of this part and authorizing statutes. Unlicensed activity constitutes harm that materially affects the health, safety, and welfare of clients. The agency or any state attorney may, in addition to other remedies provided in this part, bring an action for an injunction to restrain such violation, or to enjoin the future operation or maintenance of the unlicensed provider or the performance of any services in violation of this part and authorizing statutes, until compliance with this part, authorizing statutes, and agency rules has been demonstrated to the satisfaction of the agency.
- (3) It is unlawful for any person or entity to own, operate, or maintain an unlicensed provider. If after receiving notification from the agency, such person or entity fails to cease operation and apply for a license under this part and authorizing statutes, the person or entity shall be subject to penalties as prescribed by authorizing statutes and applicable rules. Each day of continued operation is a separate offense.
- (4) Any person or entity that fails to cease operation after agency notification may be fined \$1,000 for each day of noncompliance.
- (5) When a controlling interest or licensee has an interest in more than one provider and fails to license a provider rendering services that require licensure, the agency may revoke all licenses and impose actions under s. 408.814 and a fine of \$1,000 per day, unless otherwise specified by authorizing statutes, against each licensee until such time as the appropriate license is obtained for the unlicensed operation.
- (6) In addition to granting injunctive relief pursuant to subsection (2), if the agency determines that a person or entity is operating or maintaining a provider without obtaining a license and determines that a condition exists that poses a threat to the health, safety, or welfare of a client of the provider, the person or entity is subject to the same actions and fines imposed against a licensee as specified in this part, authorizing statutes, and agency rules.
- (7) Any person aware of the operation of an unlicensed provider must report that provider to the agency.
