**Important Information Concerning Application for Fuel Tax Refund
Agricultural, Aquacultural, Commercial Fishing or Commercial Aviation Purposes**

A Power of Attorney, Florida Department of Revenue Form DR-835,
must be properly executed and included if this application is prepared by your representative.

1. Permit holders are entitled to a refund of:
 - A. The fuel sales tax on gasoline/gasohol levied under s. 206.41(1)(g), F.S., used for agricultural, aquacultural, commercial fishing, and commercial aviation purposes and the municipal fuel tax levied under s. 206.41(1)(c), F.S., for agricultural, aquacultural and commercial fishing purposes.
 - B. The total amount of the local option tax levied in applicable counties according to s. 336.025 and the SCETS tax imposed according to s. 206.41(1) (f), F.S.
 - C. The applicable tax rates are entered by the Department and are published annually in Taxpayer Information Publications on the Department's website at www.myflorida.com/dor.
2. Applications are to be used only for the quarter indicated on the face of this application. Only original refund applications are acceptable. Application forms may be requested from the Department of Revenue, Refunds.
3. Refund permits are renewed on an annual basis only if the permit holder files quarterly claims during the year.
4. Applications must be filed quarterly, no later than the last day of the month immediately following the quarter. The filing date may be extended one additional month only if a justified, written excuse is submitted with the claim and only if the prior quarter's claim was filed on time.

- within this calendar quarter).
- F. County in which you took possession of the motor fuel from the supplier.
- G. Total price you paid for the motor fuel purchased.
- H. Number of gallons of motor fuel you purchased.
6. In the event of an overpayment of any refund, the Department of Revenue will refuse to make further refunds and advise the payee of the amount to be reimbursed.
7. A fee of \$2.00 will be deducted from each claim.
8. Gallons that you purchased during the previous year and consumed during the current quarter for agricultural, aquacultural, and commercial aviation purposes will not be eligible for the full refundable rates for the current year. Instead, these gallons should be multiplied by last year's rates. This adjustment will compensate for any inventory that was assessed at last year's rate and carried forward to the current calendar year. Prior year rate adjustment also applies to Part II.

Line-by-Line Instructions For Parts I and II

Part I – Purchases of gasoline and gasohol.

- Line 1. Beginning Inventory – Must be the same as your closing inventory from prior quarter. If the prior quarter's claim was not filed, enter zero.
- Line 2. Gallons Purchased – This represents fuel you purchased during the calendar quarter. These purchases must be supported by the Schedule of Purchases (Page 3).
- Line 3. Closing Inventory – Actual physical inventory as of the last day of the quarter printed on Page 1. This will be your beginning inventory for the next quarter. If no refund is due but a closing inventory exists, the claim form must be filed.
- Line 4. Total consumption – Line 1 plus Line 2 minus Line 3.
- Line 5. Gallons not eligible for refund – This represents fuel which was not used for farming, fishing, or commercial aviation purposes. Fuel used in any vehicles or equipment driven or operated upon the highways of this state is not eligible for refund.

This restriction does not apply to the movement of a farm vehicle, or farm equipment, citrus harvesting equipment, or citrus loaders between farms.
- Line 6. Gallons claimed for refund –
 - Agricultural or aquacultural represents fuel that was used in any tractor, vehicle, citrus front loader, citrus harvesting equipment, or other farm equipment used exclusively on a farm or for processing farm products on the farm. This includes goats licensed under section 320.08 (3) (d), F.S., that use motor fuel on or between farms.
 - Commercial Fishing or aquacultural represents fuel used in the operation of boats, vessels, or equipment used exclusively for the taking of fish, crayfish, oysters, shrimp or sponges for resale to the public.
 - Commercial Aviation represents fuel used in the operation of aviation ground support vehicles or equipment.

- *Amended application for prior quarter must be received by current quarter's deadline. Example: You must submit an amended March quarterly application by July 31.
5. All applications for refund must contain sufficient information and documentation for the Department to determine the amount of the refund claim due. This information and documentation must also be maintained at your place of business. Your request for refund must be supported by documentation to establish that the tax requested to be refund has been paid. If your application does not contain the information and documentation required for the Department to determine the amount of refund due, the Department will issue a written request to you for the additional information or documentation required to determine the amount of refund due. The written request will be issued within 30 days of receipt of your application.
- The Schedule of Purchases (page 3) detailing the information listed below, may be submitted instead of original invoices. Include only one product type listed at the top of the Schedule of Purchases. Separate schedules must be used for each product type. However, first time filers of this form must submit tax paid invoices with their initial refund request.
- A. Name and address of supplier that you purchased motor fuel from.
 - B. Department of Environmental Protection storage tank facility identification number of the tank where the motor fuel was stored prior to purchase or the federal employee identification number of the seller.
 - C. Type of motor fuel you purchased using the product types listed at the top of the schedules.
 - D. Sales invoice number.
 - E. Date that you took possession of the motor fuel from the supplier (must be
