## Who Must File a Florida Corporate Income/ Franchise Tax Return? (continued from Page 2)

- **S corporations** that pay federal income tax on Line 22c of federal Form 1120S.
- **Tax-exempt organizations** that have “unrelated trade or business income” for federal income tax purposes are subject to Florida corporate income tax and must file either Florida Form F-1120 or Florida Form F-1120A.

## General Information

### When is Florida Form F-1120A Due?

Generally, Florida Form F-1120A is due the later of:

- (1) On or before the first day of the fourth month following the close of the tax year. For example, for a taxpayer with a tax year that ends December 31, the Florida Form F-1120A is due on or before April 1 of the following year; or
- (2) The 15th day following the due date, without extension, for the filing of the related federal return for the taxable year. For example, if the federal return is due on May 1, the related Florida Form F-1120A is due on May 15.

You must file a return, even if no tax is due.

If the due date falls on a Saturday, Sunday, or state or federal holiday, the return is considered to be filed on time if postmarked on the next business day.

**Note:** A late-filed return will subject a corporation to penalty, whether or not tax is due.

### Extension of Time to File

To apply for an extension of time for filing Florida Form F-1120A, you must complete Florida Form F-7004, *Florida Tentative Income/Franchise and Emergency Excise Tax Return and Application for Extension of Time to File Return*. The Florida Form F-7004 with instructions is included with the Florida Form F-1120A.

## General Information (continued)

Go to the Department’s Internet site for information on electronic filing and payment of tentative tax.

You must file **Florida Form F-7004** to extend your time to file. A copy of your **federal extension** alone will not extend the time for filing your Florida return. See Rule 12C-1.0222, F.A.C., for information on the requirements that must be met for your request for an extension of time to be valid.

**Extensions are valid for six months. We permit only one extension per tax year.**

### Payment of Tax

You must pay the tax due, as shown on Line 9 of the return, and either file your return or extension of time by the original due date. Payment must be in U.S. funds. If your tax payment is not on time, penalties and interest will apply.

### Taxable Year and Accounting Methods

The taxable year and method of accounting must be the same for Florida income tax as it is for federal income tax. If you change your taxable year or your method of accounting for federal income tax, you must also change the taxable year or method of accounting for Florida income tax.

### Rounding Off to Whole-Dollar Amounts

Whole-dollar amounts may be entered on the return and accompanying schedules. To round off dollar amounts, drop amounts less than 50 cents to the next lowest dollar and increase amounts from 50 cents to 99 cents to the next highest dollar. If you use this method on the federal return, you must use it on the Florida return.

### Federal Employer Identification Number (FEIN)

If you do not have an FEIN, obtain one from the IRS. You can:

- Apply online at [www.irs.gov](http://www.irs.gov)
- Apply by telephone at 800-829-4933.
- Apply by mail with IRS form SS-4. To obtain this form, download or order it from [www.irs.gov](http://www.irs.gov) or call 800-829-3676.

### To Amend a Return

You must complete a Florida Form F-1120X to amend your Florida corporate income tax return if:

- You file an amended Federal return.
- A redetermination of federal income is made (for example, through an audit adjustment), and
- The adjustments would affect net income subject to the Florida corporate income/franchise tax or the emergency excise tax.

Go to our Internet site for Florida Form F-1120X with instructions.

### Who Must Make Estimated Tax Payments?

If you expect the amount of income tax liability for the year to be **more than \$2,500**, you must make a declaration of estimated tax for the taxable year using Florida Form F-1120ES. Payments may not be annualized. If the corporation is subject to excise tax and/or the expected tax liability is more than \$2,500, you must file Florida Form F-1120. Your first installment coupon (Form F-1120ES) is provided in this package. To obtain Florida Form F-1120 and extra installment coupons, see "For Information and Forms" on Page 6.

## Line-by-Line Instructions

**Line 1. Federal Taxable Income** – Generally, corporations should enter the amount shown on Page 1, Line 30 of the federal Form 1120 or the corresponding line (taxable income) of the federal income tax return filed. If this amount is negative, check the box. S corporations should enter only the income subject to federal income tax at the corporate level and those S corporations answering no to Question D do not have to file a return unless requesting a refund.

**Line 2. Net Operating Loss Deduction (NOLD) and State Income Taxes Deducted in Computing Federal Taxable Income** – Enter the sum of:

- (A) Any net operating loss deduction shown on Line 29(a) of the federal Form 1120 or on the matching line of other federal income tax forms and
- (B) Any tax on, or measured by, income paid or accrued as a liability to any U.S. state or the District of Columbia that is deducted from gross income in computing federal income for the taxable year. Exclude taxes based on gross receipts or revenues.

## Line-by-Line Instructions *(continued)*

If you include state income taxes in Line 2, complete Question G on Page 2.

Use the following to calculate your Line 2 entry:

- a. NOLD \_\_\_\_\_
- b. State income taxes deducted in computing federal taxable income \_\_\_\_\_
- c. Total - Add a and b, then enter this amount on Line 2.

**Line 3. Florida Net Operating Loss Deduction (NOLD)** – Enter the amount (if any) of the Florida net operating loss deduction on Line 3. For Florida corporate income tax, a net operating loss can never be carried back as a deduction to a prior taxable year. A net operating loss can only be carried over to later taxable years and treated in the same manner, to the same extent, and for the same time periods prescribed in Section 172, IRC.

**Line 4. Florida Exemption** – Section 220.14, F.S., exempts up to \$5,000 of net income. The exemption is the lesser of \$5,000 or the Florida portion of adjusted federal income. If the taxable year is less than 12 months, you must prorate the \$5,000 exemption. Multiply \$5,000 by the number of days in the short tax year divided by 365. Only one \$5,000 exemption is allowed to the members of a controlled group of corporations as defined in section 1563, IRC. If members of a controlled group file separate Florida returns the \$5,000 exemption will be divided equally among all filing members unless all members consent to an apportionment plan for an unequal allocation of the Florida exemption.

**Line 5. Florida Net Income** – Subtract Lines 3 and 4 from the sum of Lines 1 and 2 and enter the difference on Line 5. (Line 1 plus Line 2 minus Line 3 minus Line 4.) If this amount is negative, check the box and enter zero (0) on Line 6.

**Line 6. Corporate Income Tax Due** – Enter 5.5 percent of Line 5. If Line 5 is zero (0) or less, enter zero (0) on Line 6. If this amount is \$2,500 or greater, you cannot file Florida Form F-1120A. See "For Information and Forms" on Page 6 for information on obtaining Florida Form F-1120.

**Line 7. Payment Credits** – Enter the total tentative tax paid with Florida Form F-7004 plus estimated tax payments, if any, made for the taxable year, or carryovers from previous years, plus the amount(s) shown on any corporate income tax credit memo(s) issued by the Department.

**Line 8. Penalty and Interest** – If penalties or interest apply, enter the total amount on this line.

*(Continued on Page 5)*

## Information for Filing Form F-7004

F-7004  
R. 01/12

**When to file** – File this application on or before the original due date of the taxpayer's corporate income tax or partnership return. Do not file before the end of the tax year.

To file online go to [www.myflorida.com/dor](http://www.myflorida.com/dor)

**Penalties for failure to pay tax** – If you are required to pay tax with this application, failure to pay will void any extension of time and subject the taxpayer to penalties and interest for failure to file a timely return(s) and pay all taxes due. There is also a penalty for a late-filed return when no tax is due.

**Signature** – A person authorized by the taxpayer must sign Form F-7004. They must be (a) an officer or partner of the taxpayer, (b) a person currently enrolled to practice before the Internal Revenue Service (IRS), or (c) an attorney or Certified Public Accountant qualified to practice before the IRS under Public Law 89-332.

**The F-7004 must be filed** – To receive an extension of time to file your Florida return, Form F-7004 must be timely filed, even if you have already filed a federal extension request. A federal extension by itself does not extend the time to file a Florida return.

An extension for Florida tax purposes may be granted, even though no federal extension was granted. See Rule 12C-1.0222, F.A.C., for information on the requirements that must be met for your request for an extension of time to be valid.

**Late-Filed Return** – The penalty for a late-filed return is 10 percent each month, or portion of a month, not to exceed 50 percent of the tax due with the return. If no tax is due and a return is filed late, the penalty is \$50 each month or portion of a month, not to exceed \$300.  
**Underpayment of Tentative Tax** – The penalty for underpayment of tentative tax is 12 percent per year during the extension period on the underpaid amount. You must calculate the penalty from the original due date of the return.  
**Incomplete Return** – For an incomplete return, the penalty is the greater of \$300 or 10 percent of the tax finally determined to be due, not to exceed \$10,000. An incomplete return is one that cannot be readily handled, verified, or reviewed.  
**Fraudulent Return** – The penalty for filing a false or fraudulent return is 100 percent of the deficiency.

**Line-by-Line Instructions (continued)**

**Interest** – A floating rate of interest applies to underpayments, late payments, and overpayments of corporate income tax and emergency excise tax. We update the floating interest rate January 1 and July 1 of each year by using the formula established in section 220.807, F.S. For information on current and prior period interest rates, visit our Internet site.  
**Line 9. Total Amount Due or Overpayment** – Subtract the amount shown on Line 7 from Line 6, add any amount shown on Line 8, and enter the result on Line 9. **If Line 9 is a negative amount, you have overpaid your Florida corporate income tax.** To have this amount credited toward next year's tax liability, place an "X" in Box 9a. To have this amount refunded, place an "X" in Box 9b. **If you make no entry, the entire amount of overpayment will be credited to next year's estimated tax.** If Line 9 is a positive amount, this is the amount due. Make your check or money order payable to the Florida Department of Revenue. You must pay in U.S. funds. **Note: The election to apply an overpayment to the next year's estimated tax is irrevocable. For more information, see Rule 12C-1.034(8), Florida Administrative Code, titled Special Rules Relating to Estimated Tax.**
