Scoring Rubric for Fast Track applications

How to use this rubric

Grant panelists will receive a copy of the rubric as a part of their panelist training materials. The rubric will be employed to ensure as fair and unbiased a panel process as possible. The scoring mechanism defines each of the three criteria scored by panelists: Quality of Offerings, Impact and Track Record. Within each criterion, benchmark descriptions and corresponding point values are listed to serve as a guide in the scoring process.

Grant applicants can use the rubric as a guideline in completing their applications.
