

# WATER USE PERMIT

## Other Use

### Supplemental Form F

Northwest Florida Water Management District  
 152 Water Management Drive, Havana, FL 32333-4712  
 (850) 539-5999 Fax (850) 539-2693  
[www.nwfwater.com](http://www.nwfwater.com)

**SECTION F1 – SITE INFORMATION**

1. Provide a description of the facility.

---

---

---

2.

| Site Name          | Acres | County Parcel Identification Number or Section, Township, Range |
|--------------------|-------|---|
|                    |       |   |
|                    |       |   |
|                    |       |   |
| <b>TOTAL ACRES</b> |       | _____   |

3. Submit a map showing:

- A. The legal boundaries of the property owned or controlled by the permittee/applicant;
- B. Any areas on the property that are being or will be irrigated;
- C. Any areas on the property where water is or will be used;
- D. All existing and proposed withdrawal and connection point locations. Label all wells, pumps and connection points so they match the IDs provided in the application form (Section IV - Sources of Water);
- E. A north arrow and map scale; and
- F. Labeled landmarks such as roads and political boundaries.

**SECTION F2 – WATER USE INFORMATION**

1. Listed below are some typical water use components. Check all that apply and provide corresponding descriptions of each water use.

|                          | Use Type                   | Descriptive Information Required   |
|--------------------------|----------------------------|--|
| <input type="checkbox"/> | Cleaning & Maintenance     | Describe water use to clean or maintain equipment, facilities or systems.  |
| <input type="checkbox"/> | Environmental Augmentation | Describe the water use (supplemental hydration) from any source used expressly for the purpose of maintaining natural system functional values.                                    |
| <input type="checkbox"/> | Aquifer Remediation        | Describe water use in any aquifer remediation system including the number and location of supply/injection wells, the quantity of water withdrawn/injected and the target aquifer. |
| <input type="checkbox"/> | Other Minor Uses           | Describe other minor uses of water such as heating/cooling, irrigation, potable supply, etc.   |
| <input type="checkbox"/> | Other: _____               | Describe:  |
| <input type="checkbox"/> | Other: _____               | Describe:  |
| <input type="checkbox"/> | Other: _____               | Describe:  |

2. OTHER WATER USE

Describe any other water use(s) not listed above and not accounted for in other supplemental forms.

---

---

---

**SECTION F3 – REQUESTED WATER USE**

1. For each other use type, provide an estimate of the requested withdrawal amounts by source.

| Other Use Type             | Requested Annual Average Amounts (gallons per day) |               |               |       | Requested Maximum Monthly Amounts (gallons) |               |               |       |
|----------------------------|--|---------------|---------------|-------|---|---------------|---------------|-------|
|                            | Source 1 Name <sup>1</sup>                         | Source 2 Name | Source 3 Name | Total | Source 1 Name                               | Source 2 Name | Source 3 Name | Total |
| Cleaning & Maintenance     |  |               |               |       |   |               |               |       |
| Environmental Augmentation |  |               |               |       |   |               |               |       |
| Aquifer Remediation        |  |               |               |       |   |               |               |       |
| Other Minor Uses           |  |               |               |       |   |               |               |       |
| Other: _____               |  |               |               |       |   |               |               |       |
| Other: _____               |  |               |               |       |   |               |               |       |
| Other: _____               |  |               |               |       |   |               |               |       |
| Total                      |  |               |               |       |   |               |               |       |

<sup>1</sup> Provide the name of the water source. Examples include the Floridan aquifer, surficial aquifer, the Sand and Gravel aquifer and surface water. Please also indicate any quantities of reclaimed water, recycled water or purchased water that will be used to meet water demands.

2. Provide a description of the methodology used to calculate the requested water amounts for each component of other water use (historical use, water budget calculations, other similar facilities, etc.). For any requested potable supply water use, include the per capita water use utilized in the calculations. Attach additional sheets, if necessary.

---

---

---

---

**SECTION F4 – WATER CONSERVATION**

Applicants for other use with a requested annual average daily withdrawal greater than 100,000 gpd must describe ongoing or planned water conservation and efficiency measures. Attach additional sheets, if necessary.
