- IV. Rule 62-531.300 requires all water well contractor license applicants to complete a minimum of 12 approved coursework hours. A minimum of six approved coursework hours must be related to water well construction practices and applicable water well construction rules. No more than six approved coursework hours may be related to safety and business practices. Please attach copies of certificates of completion of approved coursework. Confirmation of approved coursework completion will be accepted from the Department or the Administrator, if available, in lieu of certificates of completion.
- V. Examinations shall be given by the District as scheduled by the District.

Please schedule me for an examination. I understand that the application is not complete until I have passed the required examination with a score of at least 70% correct.
