I/We agree to comply with all regulations promulgated by the Florida Department of Agriculture and Consumer Services pertaining to the inspection, testing and maintenance of identifying records for registration as specified in Rule Chapter 5B-62, F.A.C.

Form with fields for: Name of Organization or Firm, Owner, Street Address or P.O. Box, City, State, Zip, County, Nursery Location, Contact Person/Title, Telephone No., Fax No., E-mail, and Date.

All nursery propagation must be done in enclosed structures approved by the department. New nursery sites will only be approved for locations that are a minimum of one mile away from commercial citrus groves. All propagating material must be witnessed and taken from approved source trees.

- I propagate trees for use in commercial groves (Commercial citrus nursery).
I propagate trees for own use (These trees are propagated for my own groves). Own use citrus nursery.
I propagate dooryard trees for homeowners (Dooryard citrus nursery).
I do not sell trees (I have only source trees to supply budwood and/or seed for sale).
Research / Extension.
