THIS GROVE IS LOCATED IN FLORIDA, AND NOT WITHIN THE QUARANTINED AREA FOR CITRUS BLACK SPOT.

Fresh fruit harvested under this permit is inspected for distribution WITHIN the State of Florida so that fruit can be commercially packed with leaves and stems attached.

The submitted distinctive grove blocks listed above have been inspected and found to be apparently free of organisms of regulatory significance. The fruit is eligible for harvest and shipment as noted above.

The owner or representative must deliver a copy of this permit to the packinghouse before or upon arrival of fruit at the packinghouse.
