INSTRUCTIONS

General Information

The Florida Telemarketing Act requires non-exempt businesses that engage in the sale of consumer goods or services by telephone to be licensed and post security (surety bond, certificate of deposit, or letter of credit) of no less than \$50,000 prior to soliciting in this state. The law also requires **all** salespersons for these businesses to be licensed. Doing business in this state includes both telephone solicitation from a location in Florida and solicitation from other states or nations of purchasers located in Florida.

Affidavits of Exemption

The law requires certain businesses that solicit sales by telephone, but are not subject to the provisions of the Florida Telemarketing Act, to file an affidavit of exemption with the Florida Department of Agriculture and Consumer Services. The Affidavit of Exemption can be used only if the reason for exemption is among those listed on the affidavit. If an exemption exists for your business and is listed, complete the Affidavit of Exemption Form and check the applicable exemption(s). If you operate more than one business, check the last box and list the other names and addresses of the businesses on a separate sheet and attach it to the affidavit. Sign and notarize the affidavit and retain a copy to post in your place of business. You are required to present your copy of the affidavit when you renew your occupational license or upon the request of the law enforcement agencies of the State of Florida.
