The department will approve a for-profit site if all of the following criteria are met:

1. The sites must be operated under an eligible public or private non-profit Sponsor;
2. The sites must operate as open sites or restricted open sites;
3. The sites must be located in an area in which at least 50 percent of the children are from households that are eligible for free or reduced priced school meals;
4. The sites must make meals available to all children in the area and must serve meals to children on a first come, first served basis; and
5. The sites must serve all meals at no charge.

An example of an eligible site is an apartment complex located in a needy area hosting an open site.

I certify that the for-profit site will not benefit financially from participation in the SFSP.

I certify that to the best of my knowledge and belief, this information is true and correct in all respects and records are available to support this statement if requested.
