**The following is an explanation of all four Florida Retirement System Options:**

- Option 1: A monthly benefit payable for my lifetime. Upon my death, the monthly benefit will stop and my beneficiary will receive only a refund of any contributions I have paid which are in excess of the amount I have received in benefits. This option does not provide a continuing benefit to my beneficiary.
- Option 2: A reduced monthly benefit payable for my lifetime. If I die within a period of ten years after my retirement date, my designated beneficiary will receive a monthly benefit in the same amount as I was receiving for the balance of the 10-year period. No further benefits are then payable.
- Option 3: A reduced monthly benefit payable for my lifetime. Upon my death, my joint annuitant, if living, will receive a lifetime monthly benefit payable in the same amount as I was receiving. (Exception: The benefit paid to a joint annuitant under age 25, who is not your spouse, will be your option one benefit amount. The benefit will stop when your joint annuitant reaches age 25, unless disabled and incapable of self-support, in which case the benefit will continue for the duration of the disability.) No further benefits are payable after both my joint annuitant and I are deceased.
- Option 4: An adjusted monthly benefit payable to me while both my joint annuitant and I are living. Upon the death of either my joint annuitant or me, the monthly benefit payable to the survivor is reduced to two-thirds of the monthly benefit received when both were living. (Exception: The benefit paid to the joint annuitant under age 25, who is not your spouse, will be your option one benefit amount. The benefit will stop when your joint annuitant reaches age 25, unless disabled and incapable of self-support, in which case the benefit will continue for the duration of the disability.) No further benefits are payable after both my joint annuitant and I are deceased.
