E. List all health and cosmetology-related licenses (active, inactive or lapsed).

License Type	License #	State/Country	Original Date Issued (MM/DD/YYYY)	Expiration Date (MM/DD/YYYY)	Status of License

Board staff will attempt to complete verifications online for states that include disciplinary history. If the disciplinary history information is not available online, you will be required to request an official verification.

Endorsement applicants must hold an active license or other authority to practice electrology in another jurisdiction whose licensure requirements are determined by the board to be equivalent to the licensure requirements in Florida. Licenses must be valid and active at the time of application in Florida and remain so for at least one year after application.

License verifications must be received directly from the licensing authority regardless of the status of the license. **A copy of your license will not be accepted** in lieu of official verification from the licensing agency.

Endorsement applicants must submit a copy of the electrologist laws and rules under which they were licensed in the other state or jurisdiction. Copies must be sent directly from the governing body. The regulations must be the ones that were in effect at the time of initial licensure. Regulations should include information on the number of electrolysis training hours required, examination requirements and any other criteria required for licensure in that state.

All complete endorsement applications will require review by the council at the next available council meeting. The council will determine whether the requirements between the state or jurisdiction you are endorsing are substantially equivalent to Florida's requirements.

7. HEALTH HISTORY

The board and the department, as part of its responsibility to protect the health, safety, and welfare of the public, must assess whether an applicant manifests any physical, mental health, or substance use issue that impairs the applicant's ability to meet the eligibility requirements for a health care practitioner as defined in chapter (ch.) 456, F.S., and the applicable statutory practice acts.

The board and the department support applicants seeking treatment and views effective treatment by a licensed professional as enhancing the applicant's ability to meet the eligibility requirements to practice a health care profession.

Seeking assistance with stress, mild anxiety, situational depression, family or marital issues will not adversely affect the outcome of a Florida health care practitioner application. The board and the department do not request that applicants disclose such assistance.

1. During the last two years, have you been treated for or had a recurrence of a diagnosed physical or mental disorder that impaired or impairs your ability to practice? Yes No
2. During the last five years, have you been treated for or had a recurrence of a diagnosed substance-related (alcohol or drug) disorder that impaired or impairs your ability to practice? Yes No

If a **"Yes"** response was provided to any of the questions in this section, provide the following documents directly to the board office:

- A letter from a licensed health care practitioner**, who is qualified by skill and training to address the condition identified, which explains the impact the condition may have on the ability to practice the profession with reasonable skill and safety. The letter must specify that the applicant is safe to practice the profession without restrictions or specifically indicate the restrictions that are necessary. Documentation provided must be dated within one year of the application date.
- A written self-explanation**, identifying the medical condition(s) or occurrence(s); and current status.

Name: _____
