

### NOTIFICATION OF REMEDIATION

Medical Marijuana Treatment Centers (MMTCs) are required to notify the OMMU if they intend to remediate a previously failed Retail Batch. Please complete this form and send to [OMMULABS@flhealth.gov](mailto:OMMULABS@flhealth.gov) prior to remediating a previously failed Retail Batch.

<b>MMTC Name and License Number</b>		<b>Date:</b>	
<b>Product Name:</b>			
<b>Product Type and Description:</b>			

<b>Batch Number(s) of failed Retail Batch(es)</b>			
<b>Total Number of Final Products in Retail Batch</b>		<b>Total Weight or Volume of Retail Batch:</b>	
<b>Name and description of new product(s) being created:</b>			
<b>Batch number of new product(s):</b>			

- **Usable Whole Flower Marijuana** that fails regulatory compliance testing may be remediated through processing to create Derivative Product. **Usable Whole Flower Marijuana** that fails regulatory compliance testing due to Water Activity or Moisture Content may also be remediated by subjecting the Retail Batch to additional drying or curing.
- **Derivative Product, excluding Edibles**, that fails regulatory compliance testing for Heavy Metals or Agricultural Agents shall be disposed of in accordance with Rule 64-4.207, F.A.C. **Derivative Product, excluding Edibles**, that fails regulatory compliance testing for Residual Solvents, Microbials, or Mycotoxins may be remediated through further processing.
- **Edibles** that fail regulatory compliance testing for any reason may not be remediated and must be disposed of in accordance with Rule 64-4.207, F.A.C.

All remediated products must undergo regulatory compliance testing as a new Retail Batch.

**A remediated Retail Batch is not eligible for additional remediation.**
