

## IN-SERVICE TRAINING RECORD FAMILY DAY CARE HOME/LARGE FAMILY CHILD CARE HOME

### **402.313(5), Florida Statutes, states:**

In order to further develop their child care skills and, if appropriate, their administrative skills, operators of family day care homes shall be required to complete 1 continuing education unit of approved training or 10-clock-hours of equivalent training, as determined by the department, annually.

### **402.3131(4), Florida Statutes, states:**

In order to further develop their child care skills and, if appropriate, their administrative skills, operators of large family child care homes who have completed the required introductory course shall be required to complete an additional 1 continuing education unit of approved training or 10-clock-hours of equivalent training, as determined by the department, annually.

Annual in-service training must be completed during the family day care home's registration/licensure year, in any of the following areas:

1. Health and safety, including universal precautions;
2. Infant and/or child CPR\*;
3. First Aid (this training may only be taken to meet the in-service requirement once every 3 yrs.);
4. Nutrition;
5. Child development – typical and atypical;
6. Child transportation and safety;
7. Behavior management;
8. Working with families;
9. Design and use of child oriented space;
10. Community, health and social service resources;
11. Child abuse;
12. Child care for multilingual children;
13. Working with children with disabilities in child care;
14. Outdoor play safety;
15. Guidance and discipline;
16. Computer technology;
17. Leadership development/program management and staff supervision;
18. Age appropriate lesson planning;
19. Homework assistance;
20. Developing special interest centers/spaces and environments;
21. Literacy; or
22. Food Safety training;
23. Other course areas relating to child care or child care management.

This record, including the log on the following page, must be maintained in the employee's file for the purpose of documenting in-service training. The log must be completed in its entirety and copies of supporting documents (i.e., certificates, diplomas, agendas) must be attached. **NOTE:** Supporting documentation is not required for state approved courses taken as in-service training. The signature of the trainer is sufficient to document course attendance.

In-service training hours used to meet the 10-hour in-service requirement may be earned in a variety of ways such as participation at national, state, or local conferences relating to children; specialized workshops; or completion of a course from Part II of the Introductory Child Care Training provided by the Training Coordinating Agency.

\*CPR courses must include an on-site instructor-based skills assessment that shall be documented by the certified CPR instructor.

## IN-SERVICE TRAINING RECORD CHILD CARE HOME

**Employee Name:** \_\_\_\_\_  
**Registration/Licensure Year:** \_\_\_\_\_

A new log is required each registration/licensure year for the purposes of documenting annual in-service training and copies of supporting documents (i.e., certificates, training transcripts, diplomas, agendas) must be attached. Additional copies of this log may be printed as needed.

NOTE: Supporting documentation is not required for state approved courses taken as in-service training. The signature of the trainer is sufficient to document course attendance.
