A. Application Instructions

1. Funding Requested:

Indicate the funding requested in this Application.

2. Applicant:

a. State the name of the Applicant.

- (1) If applying for Housing Credits, the Applicant must be a limited partnership (including a limited liability limited partnership) or a limited liability company. The Applicant entity shall be the recipient of the Non-Competitive Housing Credits and may not change until after the Final Housing Credit Allocation Agreement has been approved and the IRS Forms 8609 have been issued. The Applicant entity may be changed after a Final Housing Credit Allocation Agreement has been approved and the IRS Forms 8609 have been issued; however, the Corporation must be notified in writing of the change. Changes to the Applicant entity prior to approval of the Final Housing Credit Allocation Agreement and issuance of the IRS Forms 8609 will result in disqualification from receiving funding and shall be deemed a material misrepresentation. Changes to the limited partner of a limited partnership or member of a limited liability company owning the syndicating interest therein will not result in disqualification.
- (2) If applying for MMRB, with or without Non-Competitive HC, the Applicant entity shall be the borrowing entity and cannot be changed until after loan closing. Replacement of the Applicant or a material change (33.3 percent or more of the Applicant, a general partner of the Applicant, or a member of the Applicant) in the ownership structure of the named Applicant prior to loan closing shall result in disqualification from receiving funding and shall be deemed a material misrepresentation. Changes after loan closing require Board approval.

- b. Provide a listing of the Principals for the Applicant, including the percentage of ownership interest of each Principal, as **“Exhibit 1”** to the Application form.
- c. Enter Applicant’s Federal Employer Identification Number. If the Federal Employer Identification Number has not yet been obtained, provide a copy of the completed, submitted application for that number as **“Exhibit 2”** to the Application form.

The Non-Profit entity understands and acknowledges that it is the Non-Profit entity’s responsibility to contractually ensure that it substantially and materially participates in the management and operation of the Development throughout the Compliance Period. If the Applicant is applying as a Non-Profit entity, failure to include the following information for each Non-Profit entity as **“Exhibit 3”** to the Application

form will result in disqualification as a Non-Profit entity and failure to meet threshold:

- (1) Attorney opinion letter;
- (2) IRS determination letter;
- (3) A description/explanation of how the Non-Profit entity is substantially and materially participating in the management and operation of the Development (i.e., the role of the Non-Profit). The percentage of the Developer's fee that will go to the Non-Profit entity must be at least 25 percent;
- (4) The names and addresses of the governing board of the Non-Profit entity; and

(2) State the total number of new construction units in the proposed Development.

(3) State the total number of rehabilitation units in the proposed Development.

(4) State the total number of units that will have each of the following types of rental assistance: PBRA, ACC, and/or other federal assistance.

d. State the total number of buildings in the proposed Development.

Note: Applications requesting Corporation-issued MMRB, with or without 4 percent HC, must be for a proposed Development consisting of two (2) or more dwelling units in each residential building.

e. Provide the following information:

(1) If the proposed Development is located in a HUD-designated DDA, identify the DDA.

(2) If the proposed Development is located in a QCT, indicate the QCT and provide a copy of a letter from the local planning office or census bureau which verifies that the proposed Development is located in the referenced QCT as “**Exhibit 5**” to the Application form.

(3) If the proposed Development is located in a DDA and/or QCT, indicate whether the proposed Development is a phase of a “multiphase” project. As defined by HUD in the applicable DDA/QCT regulations, for purposes of Section 42(h)(4) of the Code, the DDA or QCT status of the site that applies for all phases is that which applied when the first of the following occurred: (a) the building(s) in the first phase were placed in service, or (b) the bonds were issued. If (a), (b), or (c) below applies to the proposed Development, the procedure and deadline for providing the required information (per HUD) will be included in the Preliminary Determination.

(a) If the proposed Development is located in a HUD-designated DDA and/or QCT, per Section A.5.e.(1) and/or (2) above and the proposed Development is a phase of a multiphase Development where no phase has previously been funded, select question 5.e.(3)(a) of the Application form.

(b) If the proposed Development is located in a HUD-designated DDA and/or QCT, per Section A.5.e.(1) and/or (2) above, and it is an additional phase of a multi-phase Development where a phase has been previously funded and the funding was not returned, select question 5.e.(3)(b) of the Application form

and provide the following information for the previously funded phase(s) as **“Exhibit 5”** to the Application form:

Previously Funded Phase(s) of the Multi-Phase Development	
FHFC File No.	Development Name

(c) If the proposed Development is not located in a HUD-designated DDA and/or QCT, per Section A.5.e.(1) and/or (2) above, but it is an additional phase of a multi-phase Development where a phase has been previously funded and the funding was not returned, the DDA/QCT status of such previously funded phase(s) will apply for the additional phase proposed in this Application. Select question 5.e.(3)(c) of the Application form and provide the following information for the previously funded phase(s) as **“Exhibit 5”** to the Application form:

Previously Funded Phase(s) of the Multi-Phase Development	
FHFC File No.	Development Name

(d) If neither (a), (b), nor (c) above applies to the proposed Development, select question 5.e.(3)(d) of the Application form.

(4)–(6) The responses to questions 5. e.(4) through (6) of the Application form must be in accordance with Section 42, IRC, as amended.

If the Applicant is requesting 4 percent HC only in this Application and indicates at question 5.e.(1) and/or (2) of the Application form that the proposed Development is located in a DDA and/or QCT, then the Applicant must also provide as **“Exhibit 5”** to the Application form a letter from the Development’s bond-issuing agency certifying the date the bond application was deemed complete. A “complete application” means that no more than de minimis clarification of the application is required for the agency to make a decision about the issuance of bonds requested in the application. Non-competitive HC Applicants must also comply with Section 42, IRC, regarding DDA/QCT qualifying date.

f. Indicate the Development Category that best describes the proposed Development:

- New Construction (where 50% or more of the units are new construction)
- Rehabilitation (where less than 50% of the units are new construction)
- Acquisition and Rehabilitation (acquisition and less than 50% of the units are new construction)
- Redevelopment (where 50% or more of the units are new construction) *
- Acquisition and Redevelopment (acquisition and 50% or more of the units are new construction)*
- Preservation (where less than 50% of the units are new construction) *
- Acquisition and Preservation (acquisition and less than 50% of the units are new construction) *

* If the Development Category of Redevelopment or Preservation (either category with or without Acquisition) is selected, in order to determine the proposed Development’s eligibility for the selected Development Category and its Rental Assistance (RA) Level classification, the applicable documentation outlined in f.(1) or (2) below must be provided. The criteria for RA Level classifications is also

outlined below.

- (1) If Redevelopment or Acquisition and Redevelopment is selected, in order to qualify for the selected Development Category the following criteria must be met:
 - (a) The Development must meet the definition of Redevelopment stated in section 67-21.002, F.A.C.;
 - (b) The Applicant must provide, as **“Exhibit 6”** to the Application form, a letter from HUD or RD, dated within 12 months of the date the Application is submitted, which includes the following information:
 - i. Name of the Development* ;
 - ii. Address of the Development;
 - iii. Year built;
 - iv. Total number of units that receive and/or are entitled to receive PBRA and/or ACC;
 - v. Total number of additional units that will receive PBRA and/or ACC when the proposed Development is funded, if applicable; and
 - vi. The HUD or RD program currently associated with the existing development.

*For purposes of this provision, the Name of the Development may be the name at the time of the PBRA and/or ACC award.

If the Application does not qualify for the Development Category of Redevelopment or Acquisition and Redevelopment, the Application will fail threshold and the proposed Development will automatically be deemed to be RA Level 6.

- (2) If Preservation or Acquisition and Preservation is selected, in order to qualify for the selected Development Category the following criteria must be met:
 - (a) The proposed Development must consist of 250 total units or less;
 - (b) The Development must meet the definition of Preservation stated in section 67-21.002, F.A.C.;
 - (c) The Development must also meet the definition of Rehabilitation stated in section 67-21.002, F.A.C.;
 - (d) The Applicant must provide, as **“Exhibit 6”** to the Application form, a letter from HUD or RD, dated within 12 months of the date the Application is submitted, which includes the following information:
 - i. Name of the Development* ;
 - ii. Address of the Development;
 - iii. Year built;
 - iv. Total number of units that receive and/or are entitled to receive PBRA and/or ACC;

- v. The HUD or RD program currently associated with the existing development; and
- vi. Confirmation that the Development has not received financing from HUD or RD after 1994 where the rehabilitation budget was at least \$10,000 per unit in any year.

*For purposes of this provision, the Name of the Development may be the name at the time of the PBRA and/or ACC award.

If the Application does not qualify for the Development Category of Preservation or Acquisition and Preservation, the Application will fail threshold and the proposed Development will automatically be deemed to be RA Level 6.

Redevelopment and Preservation Developments that are tentatively funded will be required to provide to the Credit Underwriter a plan for relocation of existing tenants.

A proposed Development’s Development Category and RA Level will affect its eligibility to be exempted from the location restrictions outlined in Section A.5. i.(2) below or to be exempted from the LDA restrictions outlined in Section A.5.i.(3) below, as applicable.

The RA Units stated in the required letter will be the basis of the Applicant’s Rental Assistance Level Classification. The Corporation will divide the RA Units by the total units stated by the Applicant at question 5.c.(1) of the Application form, resulting in a Percentage of Total Units that are RA Units. Using the Rental Assistance Level Classification Chart below, the Corporation will determine the Rental Assistance Level associated with both the Percentage of Total Units and the RA Units. The best rating of these two (2) levels will be assigned as the Application’s Rental Assistance Level Classification.

Rental Assistance Level Classification Chart			
Rental Assistance Level	Percentage of Total Units		RA Units
Level 1	All units receive rental assistance (with the exception of up to 2 units)	or	At least 100 units and greater than 50% of the total units
Level 2	Greater than 90.00%	or	Greater than 90 units but less than 100 units and greater than 50% of the total units
Level 3	Greater than 75.00%, equal to or less than 90.00%	or	Greater than 75 units but less than 90 units and greater than 50% of the total units
Level 4	Greater than 50.00%, equal to or less than 75.00%	or	N/A
Level 5	Greater than 10.00%, equal to or less than 50.00%		N/A
Level 6*	10.00% or less of the total units receive rental assistance		N/A

*Applications will be classified RA Level 6 if 10.00% or less of the total units receive rental assistance or if the Applicant fails to meet the criteria outlined above.

During Credit Underwriting, all funded Applications will be held to the number of

rental assistance units stated in the applicable letter provided by the Applicant as Exhibit 6 to the Application form. This requirement will apply throughout the entire Compliance Period, subject to Congressional appropriation and continuation of the rental assistance program.
