2. Applicant:

a. State the name of the Applicant.

(1) If applying for Housing Credits, the Applicant must be a limited partnership (including a limited liability limited partnership) or a limited liability company. The Applicant entity shall be the recipient of the Non-Competitive Housing Credits and may not change until after the Final Housing Credit Allocation has been approved and the IRS Forms 8609 have been issued. The Applicant entity may be changed after a Final Housing Credit Allocation has been approved and the IRS Forms 8609 have been issued; however, the Corporation must be notified in writing of the change. Changes to the Applicant entity prior to approval of the Final Housing Credit Allocation and issuance of the IRS Forms 8609 will result in disqualification from receiving funding and shall be deemed a material misrepresentation. (2) If applying for MMRB, with or without Non-Competitive HC, the Applicant entity shall be the borrowing entity and cannot be changed until after loan closing. Replacement of the Applicant or a material change (33.3 percent or more of the Applicant, a general partner of the Applicant, or a member of the Applicant) in the ownership structure of the named Applicant prior to loan closing shall result in disqualification from receiving funding and shall be deemed a material misrepresentation. Changes after loan closing require Board approval.

b. Provide a listing of the Principals for the Applicant, including the percentage of ownership interest of each Principal, as **“Exhibit 1”** to the Application form.

c. Enter Applicant’s Federal Employer Identification Number. If the Federal Employer Identification Number has not yet been obtained, provide a copy of the completed, submitted application for that number as **“Exhibit 2”** to the Application form.

If the Applicant is applying as a Non-Profit entity, failure to include the following information for each Non-Profit entity as **“Exhibit 3”** to the Application form will result in disqualification as a Non-Profit entity and failure to meet threshold:

(1) IRS determination letter;

(2) A description/explanation of how the Non-Profit entity is substantially and materially participating in the management and operation of the Development (i.e., the role of the Non-Profit). The percentage of the Developer’s fee that will go to the Non-Profit entity must be at least 25 percent;

(3) The names and addresses of the governing board of the Non-Profit entity; and

(4) The articles of incorporation demonstrating that one of the purposes of the Non-Profit entity is to foster low income housing.

3. Contact Person:

e. Provide the following information:

- (1) If the proposed Development is located in a HUD-designated DDA, identify the DDA.
- (2) If the proposed Development is not located in a HUD-designated DDA (as indicated at question 5.e.(1) of the Application form, in order to be classified as a Development located in a QCT based on the current census, as determined by HUD, the Applicant must indicate the QCT and provide a copy of a letter from the local planning office or census bureau which verifies that the proposed Development is located in the referenced QCT as **“Exhibit 5”** to the Application form.

(3) If the proposed Development is located in a HUD-designated DDA and/or QCT, per Section A.5.e.(1) and/or (2) above, and the proposed Development is the first phase of a multiphase Development, select question 5.e.(3) of the Application form. A “complete application” means that no more than de minimis clarification of the application is required for the agency to make a decision about the issuance of bonds requested in the application. Non-competitive HC Applicants must also comply with Section 42, IRC, regarding DDA/QCT qualifying date.

f. Indicate one applicable Development Category:

- New Construction (where 50% or more of the units are new construction)
- Rehabilitation (where less than 50% of the units are new construction)
- Acquisition and Rehabilitation (acquisition and less than 50% of the units are new construction)
- Redevelopment (where 50% or more of the units are new construction) *
- Acquisition and Redevelopment (acquisition and 50% or more of the units are new construction)*
- Preservation (where less than 50% of the units are new construction) *
- Acquisition and Preservation (acquisition and less than 50% of the units are new construction) *

* If the Development Category of Redevelopment or Preservation (either category with or without Acquisition) is selected, in order to determine the proposed Development's eligibility for the selected Development Category and its Rental Assistance (RA) Level classification, the applicable documentation outlined in f.(1) or (2) below must be provided. The criteria for RA Level classifications is also outlined below.

- (1) If Redevelopment or Acquisition and Redevelopment is selected, in order to qualify for the selected Development Category the following criteria must be met:
- (a) The Development must meet the definition of Redevelopment stated in Rule 67-21.002, F.A.C;
 - (b) The Applicant must provide, as **“Exhibit 6”** to the Application form, a letter from HUD or RD, dated within 12 months of the date the Application is submitted, which includes the following information:

- i. Name of the Development*;
- ii. Address of the Development;
- iii. Year built;
- iv. Total number of units that will receive PBRA and/or ACC if the proposed Development is funded; and
- v. The HUD or RD program currently associated with the existing development.

*For purposes of this provision, the Name of the Development may be the name at the time of the PBRA and/or ACC award.

If the Application does not qualify for the Development Category of Redevelopment or Acquisition and Redevelopment, the Application will fail threshold and the proposed Development will automatically be deemed to be RA Level 6.

- (2) If Preservation or Acquisition and Preservation is selected, in order to qualify for the selected Development Category the following criteria must be met:
- (a) The proposed Development must consist of 250 total units or less;
 - (b) The Development must meet the definition of Preservation stated in Rule 67-21.002, F.A.C.;
 - (c) The Development must also meet the definition of Rehabilitation stated in Rule 67-21.002, F.A.C.;
 - (d) The Applicant must provide, as “**Exhibit 6**” to the Application form, a letter from HUD or RD, dated within 12 months of the date the Application is submitted, which includes the following information:
 - i. Name of the Development*;
 - ii. Address of the Development;
 - iii. Year built;
 - iv. Total number of units that currently receive PBRA and/or ACC;
 - v. Total number of units that will receive PBRA and/or ACC if the proposed Development is funded;
 - vi. All HUD or RD financing programs currently associated with the existing development;
 - vii. The type of HUD or RD rental assistance that will be associated with the proposed Development;
 - viii. All HUD or RD financing programs that will be associated with the proposed Development; and
 - ix. Confirmation that the Development has not received financing from HUD or RD after 1995 where the rehabilitation budget was at least \$10,000 per unit in any year.

*For purposes of this provision, the Name of the Development may be the name at the time of the PBRA and/or ACC award.

If the Application does not qualify for the Development Category of Preservation or Acquisition and Preservation, the Application will fail threshold and the proposed Development will automatically be deemed to be RA Level 6.

Redevelopment and Preservation Developments that are tentatively funded will be required to provide to the Credit Underwriter a plan for relocation of existing tenants.

A proposed Development's Development Category and RA Level will affect its eligibility to be exempted from the location restrictions outlined in Section A.5. i.(2) below or to be exempted from the LDA restrictions outlined in Section A.5.i.(3) below, as applicable.

The total number of units that will receive rental assistance as stated in the required letter will be considered to be the proposed Development's RA units and will be the basis of the Applicant's RA Level Classification. The Corporation will divide the RA units by the total units stated by the Applicant at question 5.c.(1) of the Application form, resulting in a Percentage of Total Units that are RA units. Using the Rental Assistance Level Classification Chart below, the Corporation will determine the RA Level associated with both the Percentage of Total Units and the RA Units. The best rating of these two (2) levels will be assigned as the Application's RA Level Classification.

Rental Assistance Level Classification Chart			
Rental Assistance Level	Percentage of Total Units with Rental Assistance		Number of RA Units
Level 1	All units receive rental assistance (with the exception of up to 2 units)	or	At least 100 units and greater than 50% of the total units
Level 2	Greater than 90.00%	or	Greater than 90 units but less than 100 units and greater than 50% of the total units
Level 3	Greater than 75.00%, equal to or less than 90.00%	or	Greater than 75 units but less than 90 units and greater than 50% of the total units
Level 4	Greater than 50.00%, equal to or less than 75.00%		N/A
Level 5	Greater than 10.00%, equal to or less than 50.00%		N/A
Level 6*	10.00% or less of the total units receive rental assistance		N/A

*Applications will be classified RA Level 6 if 10.00% or less of the total units receive rental assistance or if the Applicant fails to meet the criteria outlined above.

During Credit Underwriting, all funded Applications will be held to the number of rental assistance units stated in the applicable letter provided by the Applicant as Exhibit 6 to the Application form. This requirement will apply throughout the entire Compliance Period, subject to Congressional appropriation and continuation of the rental assistance program.
