

# Florida Department of Revenue Employer's Quarterly Report Continuation Sheet

Employers are required to file quarterly tax/wage reports regardless of employment activity or whether any taxes are due.

Social security numbers (SSNs) are used by the Florida Department of Revenue as unique identifiers for the administration of Florida's taxes. SSNs obtained for tax administration purposes are confidential under sections 218.063 and 119.071, Florida Statutes, and not subject to disclosure as public records. Collection of your SSN is authorized under state and federal law. Visit our website at [www.floridarevenue.com](http://www.floridarevenue.com) and select "Privacy Notice" for more information regarding the state and federal law governing the collection, use, or release of SSNs, including authorized exceptions.
